Section 1

Training Requirements – Service Managers and Service Technicians –

Training Requirements – Service

Ford Blue Advantage™ training and certification is now located in Ford University. Access Ford University on the MyTraining Section of FMCDDealer.com to complete the training requirements.

Note: New training courses and requirements may be added as new curriculum becomes available. Additional information will be communicated as it becomes available.

Service Managers

Program policy requires that Service Technicians performing Ford Blue Advantage vehicle inspections pass the courses associated with the training requirements with a score of 80% or better.

- Ford Blue Advantage: Technician Guide 7302W

To verify that Service Technicians have successfully completed the qualification test, roll your cursor over the About The Program tab on the program website homepage and select the Training menu item and then select Trained Employees from the drop-down menu displayed. Employees who have passed Ford Blue Advantage-related courses will be listed on this webpage.

Note: The vehicle certification function on the program website does not allow for manual input of Inspecting Technician names; the system will allow only for selection of a name from the drop-down menu of a technician whose name appears on the dealership's list of trained employees.

Service Technicians

- Program policy requires that Service Technicians performing Ford Blue Advantage vehicle inspections pass the courses associated with the training requirements with a score of 80% or better.

Note: The vehicle certification function on the program website does not allow for manual input of Inspecting Technician names; the system will allow only for selection of a name from the drop-down menu of a technician whose name appears on the dealership's list of trained employees.

- **Technician Course**

- Ford Blue Advantage: Technician Guide (7302W)

Section 2

Sales Process

Sales Process

Sales Consultant Eligibility

Ford Blue Advantage™ vehicles may be sold only by eligible Sales Consultants. To be considered eligible, Sales Consultants must pass the appropriate training requirements detailed in the Training Requirements section of this guide with a minimum score of 80%.

The program website permits Ford Blue Advantage sales to be credited only to those Sales Consultants who have met the training requirements. For details, refer to the following sections under “Website Drill-Downs: Administration and Performance Tracking”:

- Trained Employees
- Report Retail Sale

Ford Blue Advantage Vehicle Display

Program policy requires that the vehicle certification process be completed prior to vehicles being displayed, advertised, or sold as Ford Blue Advantage vehicles.

- Failure to comply with the program policy requirement could submit your dealership to program suspension or termination

It is strongly suggested that Ford Blue Advantage vehicles be displayed in a dedicated area of used vehicle display space:

- Group Ford Blue Advantage vehicles separately, and separate from new or traditional used inventory
- Signage designating the Ford Blue Advantage vehicles display area is available through the Dealer eStore

Monroney-Type Window Sticker

Ford Blue Advantage vehicles must be displayed with the unaltered program-authorized Monroney-type window sticker printed from the program website.

- To maximize customer satisfaction and trust, dealers are strongly encouraged to include the vehicle price on the window sticker. You may input the price through the certification registration or certification maintenance functions on the program website prior to printing the window sticker

Section 3

Delivery Process

Delivery Process

The delivery process for Ford Blue Advantage™ vehicles parallels the new-vehicle delivery process.

Delivery Process Steps for Sales Consultants:

- Perform a vehicle walk-around, using the appropriate Ford Blue Advantage program-branded Delivery Checklist. Reference copies of the Delivery Checklists are included in the Appendix section of this guide; they can also be printed from the program website, or printed versions of the appropriate Ford Blue Advantage program-branded Salesperson Delivery Checklist and Warranty Statement
- This walk-around requires the Sales Consultant to:
 - Review vehicle operating controls and answer any customer questions
 - Review the appropriate Warranty Statement with the customer and obtain their signature on same

Note: Your dealership may elect to have your F&I Department handle this aspect of the delivery process.

 - Point out the oil change decal on the windshield and advise the customer of the date and mileage of the next required oil change
 - Point out the vehicle has a full tank of fuel
 - Point out the vehicle has new wiper blades
- Customer confirms walk-around demonstration has been performed by signing the Delivery Checklist
- Customer confirms acknowledgment of any open recall disclosure by initialing the referenced open recall(s) FSA number(s) and description(s) on the Delivery Checklist
 - The dealer will notify the customer once parts are available and schedule the recall repair
- Place one copy of the customer-signed Vehicle Delivery Checklist and Warranty Statement in the physical or digital deal jacket and one of each copy in the customer delivery portfolio
- Place a copy of the Money Back Guarantee Customer Agreement (if participating in Money Back Guarantee)

- Schedule the customer's first service appointment
- Help customers set up the Ford App with their contact information, preferred dealer settings and adding the vehicle to the garage.
- Enroll the customer in Ford Rewards and report their Ford Rewards Member ID with the sale
- Assist customers with modem authorization if the vehicle is eligible
- If originally equipped with SiriusXM, activate the customer's three-month SiriusXM all-access trial subscription by calling 1-877-837-6673 at the time of vehicle delivery
- If the Ford vehicle is equipped with Connected Services, send activation link for a 90-day complimentary trial via the Dealer Member Portal to the customer
- During the delivery process, present the customer with the following Ford Blue Advantage-specific forms:
 - Customer Brochure
 - Copy of the Vehicle History Report
 - Copy of completed and signed Vehicle Inspection Checklist
 - Copy of completed and signed Vehicle Delivery Checklist
 - Copy of signed Warranty Statement
 - Customer copy of Sales Contract
 - Vehicle Maintenance Schedule
- After delivery, the customer will receive a welcome letter sent by Ford Motor Company

Section 4

Training Requirements – Sales –

Training Requirements – Sales

Ford Blue Advantage™ training and certification is now located in Ford University.

Sales Managers

Each dealership must have one individual complete the following Ford Blue Advantage-related courses:

- **Ford Blue Advantage Sales Consultant –**
A new or used vehicle Sales Consultant who also sells Ford Blue Advantage Gold, EV, or Blue Certified vehicles
 - Ford Blue Advantage: Sales Opportunity

Access Ford University on the MyTraining section of FMCDDealer.com in order to complete the training requirements.

Note: New training courses and requirements may be added to this planner as new curriculum becomes available. Additional information will be communicated as it becomes available.

Sales Consultants

Program policy requires that Sales Consultants selling Ford Blue Advantage vehicles pass the courses associated with the training requirements with a score of 80% or better.

- Ford Blue Advantage: Sales Opportunity
- To verify that Sales Consultants and Service Technicians have successfully completed the qualification test, roll your cursor over the About The Program tab on the program website homepage and select the Training menu item and then select Trained Employees from the drop-down menu displayed. Employees who have passed Ford Blue Advantage-related courses will be listed on this web page

Note: The vehicle certification and sales reporting functions on the program website do not allow for manual input of Inspecting Technician or Sales Consultant names/ID numbers; the system will only allow for selection of a name from the respective drop-down menus of a technician or Sales Consultant whose name appears on the dealership's list of trained employees.

Section 5

Billing and Credit

Billing and Credit

Annual Participation Fee

- Ford Dealers participating in the Ford Blue Advantage™ program will be assessed an annual participation fee of \$1,000 to \$2,000 based on dealer sales expectancy:

Sales Expectancy	Annual Participation Fee
0–200	\$1,000
201–500	\$1,500
501+ Units	\$2,000

- The fee is assessed annually in October of each year and will be based on a rolling twelve-month total. The fee will appear on the first Parts and Accessories statement in November.

Billing: Per-Unit Certification Fees

- A certification registration fee will be billed to the enrolled dealership's Parts and Accessories account based on whichever of the following events occurs first:
 - A. The certified unit is in dealer inventory for 90 days from the date the unit was registered as "certified"
 - B. The certified unit is reported as "sold"
- Certification Fee – Gold Certification
 - All incompletes up to 750 Series: \$679
 - Cars/SUVs/Trucks, including Ranger®, F-150®, and F-250®–F-450®: \$599
- Certification Fee – EV Certification
 - All fully electric Ford vehicles: \$499
- Certification Fee – Blue Certification
 - All models with 60,000 miles or less: \$199
 - All incompletes with 60,000 miles or less: \$249
 - All models with 60,001–120,000: \$249
 - All incompletes with 60,001–120,000 miles: \$289
 - All models with 120,001–150,000 miles: \$499
 - All incompletes with 120,001–150,000 miles: \$599
 - Eligible incomplete vehicles up to 750 Series, competitive makes up to 550 Series

Decertified Vehicles

- Dealers will be credited the per-unit certification fees for all units where one of the following situations occurs and where the per-unit certification fee for a specific unit has already been charged to the dealer's Parts and Accessories account:
 - A. A certified unit in inventory for less than 90 days was reported as "sold" in error and is reinstated per the procedures described later (see Vehicle Reinstatement)
 - B. A certified unit in inventory for more than 90 days is decertified (see Vehicle Decertification process) and the vehicle appears on the dealership's Dealer Detail Report as "decertified"
- To enable dealerships to track units for which certification fees have been credited, Parts and Accessories account statements will reflect the amount credited, VIN, and a notation indicating that the charge was for the appropriate certification level

Billing: Customer Purchase of Ford Protect® Extended Service Plan "Wraparound" Coverage

- In all cases where Ford Blue Advantage customers purchase any of the custom Ford Protect Extended Service Plan "wraparound" packages available through the Ford Blue Advantage program, normal Ford Protect Extended Service Plan contract processing procedures should be followed
- The dealer Parts and Accessories account will be charged accordingly for the cost of additional Ford Protect Extended Service Plan coverage purchased by the customer
 - For details concerning available packages and their corresponding costs, contact your local FMCC Branch Office or refer to the Ford Protect Extended Service Plan New and Used Dealer Cost/Price List (if needed, copies can be ordered on the Dealer eStore)

Section 6

Document Retention

Document Retention

- All current and/or previously published Ford Motor Company (FMC) policies and procedures concerning document retention are applicable as they relate to the Ford Blue Advantage™ program
- Additionally, the Ford Blue Advantage Used Vehicle Program Dealer Participation Agreement states the following under Section 8 – Dealer Record-Keeping and Audit Provisions:
 - A. Dealer shall transmit to Ford Motor Company all information required as described in the program manuals
 - B. Dealer shall keep, in the digital file cabinet via the online certification process or in the Ford Blue Advantage vehicle service file for at least two years from a Ford Blue Advantage vehicle's retail sale or lease, all Ford Blue Advantage vehicle mechanical inspection forms and repair orders involving reconditioning work performed on the Ford Blue Advantage vehicle (if any); upon the request of FMC, dealer will provide access to and the opportunity to copy, as FMC deems necessary, original service records, such as repair orders and inspection worksheets, and all other dealer books and records relating to the program
 - C. Dealers will make all Ford Blue Advantage vehicles in their inventory available for inspection by third-party consultants chosen by FMC during regular business hours, without prior notice to the dealer
 - D. Dealer acknowledges that FMC may survey all retail customers who have purchased or leased Ford Blue Advantage vehicles from the dealership about their Ford Blue Advantage vehicles and their experience with the dealership
 - E. Dealer will keep key dealership contact information updated on the Dealer Profile form on the Ford Blue Advantage program website (cpo.dealerconnection.com)

The dealership should also retain the following documents for each Ford Blue Advantage vehicle sale:

1. Ford Blue Advantage Vehicle Inspection Checklist (all applicable items checked and signed by all responsible parties)
2. Repair order confirming that any OASIS and/or Ford Blue Advantage Vehicle Inspection Checklist deficiencies were corrected, an oil change was performed, and the wiper blades were changed
3. OASIS Report
4. CARFAX® Vehicle History Report
5. Federal Used Buyer's Guide
6. Ford Blue Advantage Limited Warranty (signed by dealer and customer)
7. Ford Blue Advantage Vehicle Delivery Checklist (signed by all required parties)
8. Any customer disclosure documentation related to open recalls at the time of sale
9. Completed Money Back Guarantee Customer Agreement (signed by all required parties) — only applicable for participating dealers

These documents can be stored using the online certification process via the digital file cabinet OR in the vehicle sales or service file (paper).

Section 7

Program Enrollment/ Termination —

Program Enrollment/Termination

Enrollment and participation in the Ford Blue Advantage™ program are open only to those dealers with an active Ford Sales and Service Agreement.

Enrollment in the Ford Blue Advantage Program is simple:

- Log on to the program website at <https://cpo.dealerconnection.com>
- Click Enrollment on the drop-down menu under the About the Program tab on the program website homepage
 - Complete dealer profile information required by the screen under the Program Contact Information Section
- Step 1 Ford Blue Advantage Program Enrollment
 - Continue to the section, where you can view and print the Ford Blue Advantage Used Vehicle Program Dealer Participation Agreement
 - Users with the job role of Dealer Principal or General Manager must then:
 - Check the box to attest they have signing authority for the dealership
 - Check the box to agree to the Terms and Conditions of the Agreement
 - Click on the “Click to Enroll” button to complete the overall program Enrollment Process
- Step 2 Money Back Guarantee
 - You will automatically be enrolled in this element of the program. You may review the terms and conditions of this program by selecting the “Terms & Conditions” button or choose to opt out of it by selecting the “Opt Out” button (Dealer Principal and General Managers only).

Note: If a dealer chooses to opt out, they cannot opt back into the element for 90 days. See the Terms & Conditions for more details. If you decide to re-join this element, after the 90-day period is over, you can return to the enrollment web page and access the Money Back Guarantee section to Opt-In.

- Step 3 Used Vehicle Digital Marketplace

The Used Vehicle Digital Marketplace agreement allows for your dealership’s inventory to show up on the Tier 1 website, fordblueadvantage.com.

 - In this section, you can view and print the Ford Blue Advantage Used Vehicle Digital Marketplace Dealer Participation Agreement by selecting the “View Agreement” button.
 - Users with the job role of Dealer Principal or General Manager must then:
 - Check the box to attest they have signing authority for the dealership
 - Check the box to agree to the Terms and Conditions of the Agreement
 - Click on the “Click to Enroll” button to complete your participation in the Used Vehicle Digital Marketplace
 - After signing up for the Used Vehicle Digital Marketplace, you can decide to participate in optional customer experiences such as Local Home Delivery, Video Walk-Around, and Test-Drive at Home. Your selections will be sent along with your inventory, allowing customers to filter their inventory search results on these experiences

Note: Dealership must be enrolled in the Ford Blue Advantage Used Vehicle Program to participate in the Marketplace. Dealer does not need to participate in the Marketplace to participate in the Ford Blue Advantage Used Vehicle Program.
- Step 4 Used Vehicle Syndication

Your dealership will automatically be enrolled in this element of the program which allows Ford to send your Ford Blue Advantage inventory to syndication partners such as AutoTrader, Cars.com, CarGurus, etc. You may review the agreement for this program by selecting the “View Agreement” button or choose to disenroll from it by selecting the “Click to Disenroll” button (Dealer Principal and General Managers only).

Program Enrollment/Termination

- Step 5 Amazon Autos

- This provides the opportunity to feature your Ford Blue Advantage certified used inventory on the Amazon Autos website — expanding your digital reach and connecting with more potential buyers.

To get started:

1. Review and approve the agreement.
2. Submit your information using the Amazon Autos web form.

Once submitted, an Amazon Autos representative will contact you to begin the onboarding process.

- Step 6 FBA+

- This gives you an opportunity to add a basic maintenance plan with enhanced reimbursement to FBA vehicles (FBA+). FBA+ is designed to drive Dealer VIN share and incremental parts & labor profit at your dealership.

Select the group(s) of vehicles you wish to add FBA+ to and check the enrollment boxes. Finally select the “Click to Enroll” button to complete the process.

- Step 7 Aged Inventory Notifications

- This system can send aged inventory alerts to the Contact email listed under the Program Contact section if any unit has been in the program over 120 or 330 days. If you wish to receive these notifications:
 - Check to receive the notifications
 - Select the “Save Changes” button

- Step 8 Authorized Website Users and Assigned Roles

- This section is used to participate in the online certification process. Please see the job aid on Dealer Set Up for help navigating this process.

Note: Dealers who want to enroll in both Ford Blue Advantage™ and Lincoln Certified Pre-Owned must complete separate Dealer Participation Agreements for each program per the above and will also then be subject to both programs’ annual participation fees.

Following the processing of the Agreement, the dealership will receive a Certified Starter Kit containing all the program point-of-sale, merchandising and service training materials, and blank program-authorized Monroney window sticker stock required to implement Certified in the dealership.

Termination of Program Participation Agreement

- Dealers may terminate participation in the Ford Blue Advantage program for any reason, with or without cause

Should the dealership cease to participate in the Ford Blue Advantage program, upon termination of the Dealer Participation Agreement(s), the dealership shall immediately take the following action:

- Cease representing itself as a Ford Blue Advantage dealership
- Cease selling, leasing or offering for sale or lease any vehicles as Ford Blue Advantage, or representing that any vehicles are accompanied by the program limited warranty
- Decertify all vehicles prior to resignation of the Ford Sales and Service Agreement(s)
- Once all Ford Blue Advantage vehicles in inventory have been decertified, remove all program signs, point-of-sale materials, and labeling from Ford Blue Advantage vehicles in inventory and send them back to Program Headquarters
- To terminate from the program, follow these steps:
 - Log on to the program website at <https://cpo.dealerconnection.com>
 - Click Ford VIN Detail on the drop-down menu under the Reports tab on the program website
 - Review the “Inventory” tab and ensure that all vehicles are removed from the program
 - Click Enrollment on the drop-down menu under the About the Program tab on the program website
 - Under the “Overall Program Enrollment” section, users with the job role of Dealer Principal or General Manager can then click the “Click to Disenroll” button and terminate the Dealer Participation Agreement. Your dealership will immediately be terminated from the program.
- Ford Division or Ford Motor Company may also terminate a dealer’s participation in the Ford Blue Advantage™ program for any reason, with or without cause, at any time upon 30 days’ written notice to the dealer

- Ford Division may terminate a dealer’s participation in the Ford Blue Advantage program at any time for good cause, which, for instance, includes but is not limited to:
 - Termination or resignation of the dealer’s Ford Sales and Service Agreement
 - Failure to correct deficiencies in the Ford Blue Advantage vehicle inspection and/or reconditioning/repair process
 - Displaying or selling/leasing a vehicle as a Ford Blue Advantage vehicle prior to the vehicle being registered as certified
 - Representing or selling/leasing a vehicle as a Ford Blue Advantage vehicle that has not been properly selected, inspected, repaired, or reconditioned as required by the program
 - Violating any Ford Motor Company new-vehicle limited warranty policies in effect by submitting reconditioning work required to certify vehicles as a new-vehicle warranty claim
 - Displaying or selling/leasing a Ford Blue Advantage vehicle from a location other than approved dealer locations detailed in the Sales and Service Agreement
 - Failure to properly repair Ford Blue Advantage vehicles under the program limited warranty
 - Failure to comply with print advertising standards
 - Failure to properly decertify vehicles (see the Vehicle Decertification section of this guide for vehicle decertification procedures)
 - Negotiating the Ford Blue Advantage limited warranties with the customer

Section 8

Dealer Compliance Reviews

Dealer Compliance Reviews

Maintaining customer trust and the credibility in the Ford Blue Advantage™ program depends on a standardized approach to:

- Vehicle Eligibility
- Personnel Training
- Inspection and Certification Process
- Mechanical and Appearance Reconditioning Process
- Sales and Delivery Processes
- Administrative Process

Ensuring every Ford Blue Advantage customer receives a premium-tier, certified vehicle at delivery is vital to the success of the program.

For these reasons, Ford Motor Company contracts a third party to conduct virtual dealership compliance inspections.

This process is designed to confirm that all participating dealers have a level playing field and are complying with all Ford Blue Advantage program policies and practices.

Procedure:

- Review of up to three pre- and post-sale vehicles
- Review of key sales and service documents

Notification:

- Call and email 14 days in advance of inspection window, followed by two reminder emails

The goal of compliance inspections is to identify potential process gaps and help fill those gaps to ensure every vehicle meets our collective standards.

More information on the Compliance Review Process can be found under FBA Job Aids on the program website.

A formal report of the dealer compliance review results will be provided to the dealership and FBA Consultant.

Third-party consultations will be governed by Sections 9, 11, and 12 of the respective programs' Dealer Participation Agreement.

The Ford Blue Advantage program utilizes a "Three Steps" policy. The policy was put in place to ensure program integrity and also to remain consistent with industry practices.

1. Dealer fails review: A call will be scheduled with the dealership management team and the Ford Blue Advantage Field Consultant to discuss the findings and recommended steps to correct deficiencies. Dealers will receive written communication in regard to the results. The dealership may receive a follow-up dealer compliance review within the next 60 to 90 days.
2. Dealer fails second review: A call will be scheduled with the dealership management team, regional management, and the Ford Blue Advantage Field Consultant to discuss the findings and recommended steps to correct deficiencies. Dealers will receive written communication in regard to the results. The dealership may receive a follow-up dealer compliance review within the next 60 to 90 days.
3. Dealer fails third review: A call will be scheduled with the dealership management team, the Ford Used Vehicle Program Manager, Regional Manager, and the Ford Blue Advantage Field Consultant to discuss the findings and recommended next steps.

Dealers will be required to submit an action plan to correct deficiencies and may be subject to removal from the Ford Blue Advantage program for a period of no less than 90 days. If removed, a dealer seeking reinstatement may submit after 90 days a written request to be reinstated along with their action plan that outlines how they will ensure compliance with the Ford Blue Advantage program. Dealers will receive written communication regarding the results.

Section 9

Divisional and Ford Blue AdvantageTM Program Logo Use

Divisional and Ford Blue Advantage™ Program Logo Use

Logo Use

- Use of Ford logos, as well as the logos for the Ford Blue Advantage program, is governed by the following:
 - Section 4, paragraph B, item 3 of the Ford Blue Advantage Program Dealer Participation Agreement
 - Section 13, paragraph G of the Ford Blue Advantage Program Dealer Participation Agreement
 - Section 6(i) of the Ford Sales and Service Agreement and Lincoln Sales and Service Agreement
- Misuse of Ford logos, as well as logos for the Ford Blue Advantage program, could subject a dealership to suspension or termination of dealership participation in the Ford Blue Advantage program

Section 10

Program Website Overview

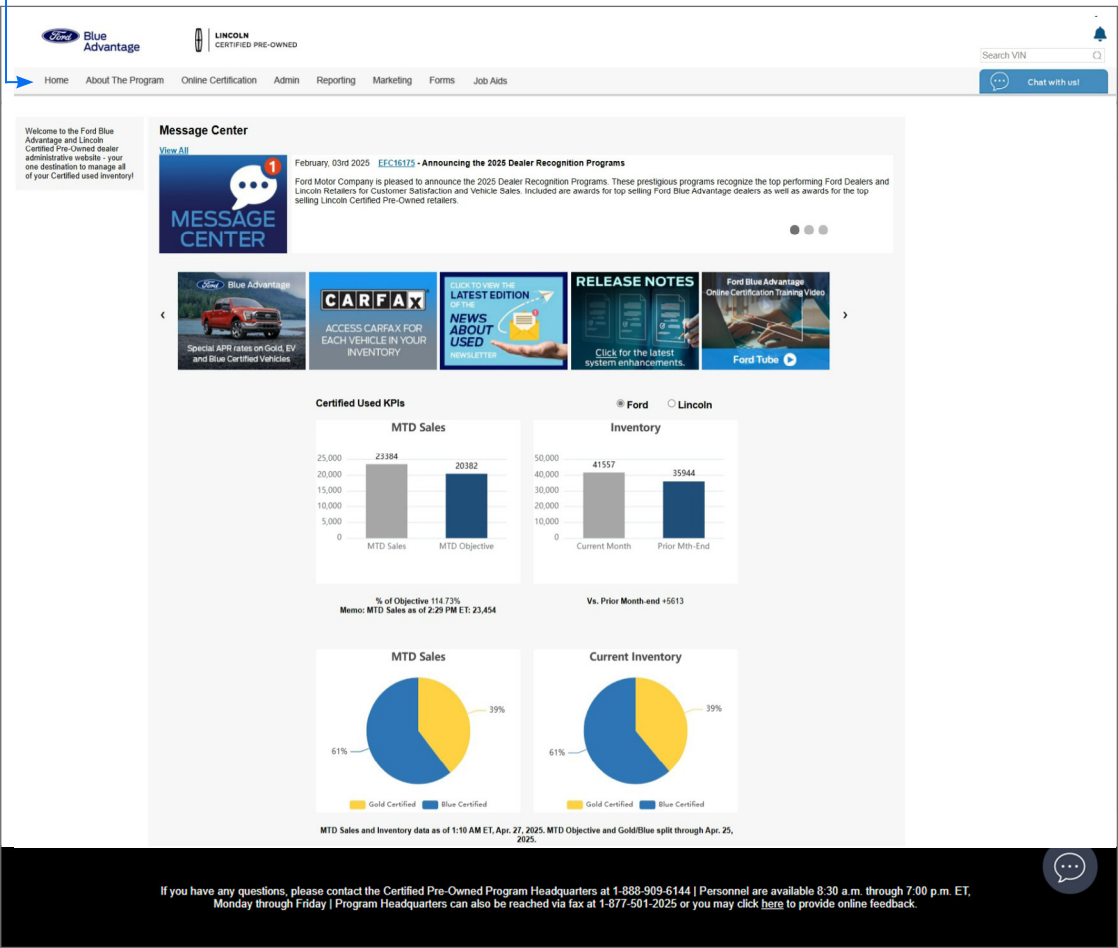

Program Website Overview

Navigation Tabs/Menus – <https://cpo.dealerconnection.com>

- The Ford Blue Advantage™ program website allows dealers to:
 - Quickly and efficiently get information about the program, print forms required to operate the program, and complete critical administrative tasks, such as registering vehicles as certified and reporting certified vehicle sales
 - Access several functions directly from the homepage

Home

Clicking here automatically returns you to the homepage from anywhere else in the website

Vehicle Search

Typing in a VIN enables you to quickly see what actions you can take on that vehicle, including the following: certify, report as sold, or decertify

View your dealership's current Certified Program Contact with a button to update (if applicable)

Feedback

Clicking here opens a message window that allows you to email a question or concern directly to Program Headquarters; responses will be received within 48 hours

Program Website Overview

Website Drill-Downs: Administration and Performance Tracking

Website Drill-Downs:

Administration and Performance Tracking

- From an administrative standpoint, there are four primary tasks that need to be accomplished on a regular basis:
 - Registering vehicles as certified
 - Reporting certified vehicle sales
 - Requesting that certified vehicles the dealership wholesales or sends to auction be decertified and removed from dealership inventory
 - Processing sale cancellations
- Job aids on how to perform these tasks can be found on the Ford Blue Advantage™ Administrative website homepage by choosing the “Job Aids” tab
- There are other modules on the website that you may also find useful – the description of how to use these functions follows

“About the Program” Tab

- Rolling your cursor over the About the Program tab displays a drop-down menu with these items: Testimonial Video, Enrollment, Facts at a Glance, FAQs, Operations Guide, Quick Start Guide, Training, and Why Ford Blue Advantage

Dealer Testimonial Video

Clicking on this opens a video testimonial from one of our FBA enrolled dealers

Enrollment

- Clicking on the Program Enrollment item begins the multistep process dealers need to complete in order to enroll in Ford Blue Advantage
- The dealer Profile screen requires completion of the fields provided for input of basic dealership contact information; fields noted on-screen in red are required
- The information on the profile may be updated at any time by clicking the “Save Contact Info” button
- The first step is to enroll in the Ford Blue Advantage Used Vehicle Program by reviewing and agreeing to the Ford Blue Advantage Dealer Participation Agreement
- Clicking the “Enrollment Selection” button from the bottom of the Dealer Profile opens a web page from which the Dealer Participation Agreement can be viewed; once the Agreement is opened, the “Enroll” button will activate, allowing you to enroll online

Note: Dealers who want to enroll in both Ford Blue Advantage and Lincoln Certified Pre-Owned programs must complete separate Dealer Participation Agreements for each program and will also then be subject to both programs’ annual participation fees.

- Following the processing of the Agreement(s), the dealership will receive a Ford Blue Advantage Starter Kit containing all the program point-of-sale, merchandising and service training materials, and blank program-authorized Monroney window sticker stock required to implement Ford Blue Advantage in the dealership
- Once enrolled, dealers are automatically set to participate in the customer Money Back Guarantee element of the program; this element offers customers a 14-day/1,000-mile Money Back Guarantee through which they can return a vehicle to their selling dealership, with Ford providing reimbursement for many of the costs associated with making this offer; dealers who do not wish to participate may choose the “Opt-Out” button on the program enrollment page
- The second step is to enroll in the Ford Blue Advantage Digital Marketplace by reviewing and agreeing to the Digital Marketplace Dealer Participation Agreement

Step 2 Ford Blue Advantage Digital Marketplace

- Continue to the next section of the web page, where you can view and print the Ford Blue Advantage Used Vehicle Digital Marketplace Dealer Participation Agreement, make selections for dealership participation in the optional customer experiences, and finally, enroll in this element of the program

Facts at a Glance

- Clicking the Facts at a Glance link provides access to the portion of the Operations Guide that gives an overview of the Ford Blue Advantage program

FAQs

- Clicking FAQs opens a page containing answers to some of the most commonly asked questions about the program; scroll down the page to the desired subject or click on the subject to go directly to that section of the page

Website Drill-Downs: Administration and Performance Tracking

Operations Guide

- Clicking this link will take you to a web page that lists the different sections of the Ford Blue Advantage™ Operations Guide

Quick Start Guide

Select this item to learn how to get the Ford Blue Advantage Certified Used Vehicle Program up and running smoothly in your dealership.

Training

Upon selecting the training menu item, the following sub-menu items will appear: Certified on FordTube, FBA Consultant Contact List, Ford Training, and Trained Employees

- Certified on FordTube
 - This link provides quick access to Ford Blue Advantage-related videos within the FordTube video system
- FBA Consultant Contact List
 - Click on this item to view a list of all FBA Consultants and their contact information
- Ford Training
 - The policy of the Ford Blue Advantage program requires that the vehicle inspections be completed only by eligible technicians and that certified vehicles be sold only by eligible Sales Consultants
 - Select this option to view a PDF of the current training requirements for this program
- Trained Employees
 - To view the dealership's list of trained technicians and Sales Consultants, click on the Trained Employees item to bring up a screen
 - This page lists all employees who have completed the required Ford Blue Advantage training courses
 - Click "View All Dealership Personnel" to see a list of your dealership's employees active in the Ford STARS database and any program-related training courses that they have completed

Why Ford Blue Advantage

Select this menu item to view the document that explains the benefits of participating in the program.

"Online Certification" Tab

Rolling your cursor over this tab displays a drop-down menu with these items: My Dashboard, Registration – Dealer Setup, Registration – User Setup, and Reporting (Milestone Report, Aging Report, Trade Report, and Customer Signature Report)

My Dashboard

- My Dashboard provides a quick view into vehicles that are in the online certification process, are already in inventory, or recently have been reported as sold. Dealer Compliance Reviews can also be found on the Dashboard and participating dealers can also access their Money Back Guarantee claims here.
- See the Job Aids tab for this functionality

Registration

- Dealers can decide whether to participate in the online certification process, which provides a digital checklist workflow process in lieu of using paper versions of the inspection checklists
- See the Job Aids tab for this functionality

Reporting

- Milestone Report: This report provides an overview of the vehicles entered using the online certification system and highlights the time it has taken to move the vehicle through the process
- Aging Report: This report shows the vehicles still in the online certification process and provides links to the Vehicle Detail web page where action buttons are available to move the vehicle through the process
- Trade Report: If your dealership has an affiliated store and wholesale Ford Blue Advantage vehicles, those traded would appear here.
- Customer Signature Report: This report (which can be filtered by VIN or Initiator) will list the documents submitted for electronic signature and their signature status

Website Drill-Downs: Administration and Performance Tracking

“Admin” Tab

CARFAX® Vehicle History Report

A CARFAX Vehicle History Report can be reprinted from the dealer administrative website for any vehicle in certified inventory — an initial report is provided during the vehicle certification process. Ensure that a copy is provided to customer at time of delivery.

Certification Maintenance

- The Certification Maintenance function allows dealers to update or change the stock number, price (and print a new window sticker containing the revised price and/or Used Car Buyer’s Guide), or certification mileage of any vehicle in inventory
- Clicking on the Certification Maintenance item brings up a screen
- Select the Search type — VIN or Stock Number — enter the VIN or stock number in the field and click GO; if the page returns more than one vehicle, highlight the desired VIN from the certified inventory list displayed and click GO
- You may limit the certified inventory displayed by selecting a certification date (month and year) and click GO — the inventory list will change to display those vehicles certified during the selected month and year; highlight the desired VIN from the certified inventory list displayed and click GO
- From this screen, the stock number, price, or mileage for that vehicle may be changed by inputting the new information in the appropriate field and clicking Submit
- If a new window sticker and/or Used Car Buyer’s Guide needs to be printed, click on the appropriate button

OASIS Report

- The program website provides the dealership the capability of printing OASIS Reports for all certification-eligible vehicles
- Clicking on the OASIS Report item will open a screen
- Fill in the information in the available fields and click Submit
- This will produce an OASIS Report for the desired vehicle

Report Vehicle Sale

- Ford Blue Advantage™ program policy requires that all certified vehicles be reported as “sold” using ONLY Smart VINCENT

Note: Reporting the sale triggers the following:

- Ford will send the customer a thank-you letter for their purchase
- Dealer invoicing of the appropriate vehicle certification fee (if not previously charged at 90 days in inventory)

Note: Competitive-make vehicles can be reported sold in Smart VINCENT via the “Report Ford Blue Advantage Sale” link under Office Administration.

For Ford-brand vehicles, please follow the steps below:

Step 1 – Navigating to the Smart VINCENT homepage:

Go to FMCD dealer Sales Page

- Click (+) Contest and Incentives
- Click Smart VINCENT

Step 2 – Determine if there are any eligible incentive programs for the particular VIN:

- First enter the VIN in the “Sales Process – Enter VIN” section; be sure to select the “Certified Pre-Owned” button
- Click on the “Go to Sales/Customer Information” button

Step 3 – Input sale date, ZIP code, and Ford Rewards Member ID data:

- Enter at least the sale date and customer ZIP code on this screen and click on the “Go to Eligibility” button; you can also enter customer information, term, Tier, etc.
- Enter the customer’s Ford Rewards Membership ID to ensure the customer receives their applicable Ford Rewards Points

Step 4 – Review applicable incentives:

- All applicable incentive programs will be shown on the subsequent screen

Website Drill-Downs: Administration and Performance Tracking

Step 5 – Continue with the Smart VINCENT process until the deal is locked:

- Click on the applicable incentive bundle(s) and continue with this process to “Lock Deal”; note that you will need to enter in all required fields, such as customer name and address, Sales Consultant STARS ID, etc., in order to lock the deal

Step 6 – Report the certified sale:

- After the deal has been locked, the vehicle sale process can then be completed via the “Deal List” function by choosing the VIN and clicking on the “Report Sale” button

Step 7 – Claim the incentive(s):

- After the certified sale has been reported, return to the “Deal List” to claim the incentive applied to the deal by clicking on the “Submit Claim” button or the “Claim” link applicable to that VIN
- Select the applicable incentive claims for submission, confirm that the sales/customer information is accurate, and then click on the “Submit Selected Claims” button
- When the claim has been successfully processed, you will receive a confirmation screen with the information on which incentive claims have been submitted and verifying that the deal has been completed

Vehicle Certification

- Certified program policy requires:
 - All vehicles be registered as certified prior to being displayed, advertised, or sold as Ford Blue Advantage™ Certified
 - A CARFAX® Vehicle History Report must be run for every vehicle certified, with a copy given to the customer at delivery and a copy retained in the vehicle deal jacket
- Any eligible vehicle may be registered as certified by the dealership via this website function
- To begin the steps necessary to register a vehicle as certified, click on the Vehicle Certification item on the Admin tab drop-down menu

- The next screen will show a list of vehicles prequalified for the program at your dealership — either choose a VIN already in your inventory to start or enter any VIN in the box at the top and click the “Certify” button
 - The vehicles listed were identified via a feed from your DMS provider to FordDirect; all vehicles meet the year, make, model, and mileage requirements for the Ford Blue Advantage program; depending on your DMS provider, as well as how often a revised feed is sent to FordDirect, the list may not reflect the vehicles in your current inventory
 - Ford Dealers/Lincoln Retailers who are enrolled in both Ford Blue Advantage Certified and Lincoln Certified have the ability to add eligible vehicles to their Ford Blue Advantage Certified or Lincoln Certified Pre-Owned program inventory; this decision affects how the program website will display these vehicles for reporting (see the section on Reports for details)
- You will see the first of two screens that compose the vehicle certification process; fill in the required information in the appropriate fields
- When finished, click Continue
 - The VIN field will be prefilled based on the VIN selected/entered on the prior screen
 - The Certification Level: allows your dealership to pick either the Blue Certified, EV Certified, or Gold Certified program
 - The option for choosing the Gold Certified program is restricted to Ford vehicles that meet the model year and mileage for this program
 - The option for choosing the EV Certified program is restricted to Ford fully electric vehicles that meet model year and mileage for this program and Must have an HV Battery SOH equal to or greater than 80% for certification. If it is below 80%, the vehicle is not eligible for FBA Certification
 - Inputting the price of the vehicle is optional; if no price is input in this field on this screen, no price will be printed on this vehicle's program-authorized Monroney-type window sticker
 - To maximize customer satisfaction and trust in the dealership, dealers are strongly urged to include the price on the Monroney window sticker
 - The dealership may change the selling price of the vehicle at any time; see the Certification Maintenance section of this guide for details

Website Drill-Downs: Administration and Performance Tracking

Vehicle Certification (Continued)

- In the next screen, you will be able to choose between the online certification process or the offline process
 - The online certification option is only available to those dealers that have elected to participate in this process. If this option is chosen:
 - The VIN entered will be started in the workflow process to complete the digital inspection
 - Once the vehicle completes the online certification process, the Inspection Checklist, CARFAX® Vehicle History Report, and other documents will be created and stored in the “Digital File Cabinet”
 - See the Job Aids tab for this functionality
 - If offline certification is selected:
 - From the drop-down menu select the Service Technician who completed the inspection
 - Enter the date this was completed
 - Click Continue
 - This will bring up the confirmation screen with the ability to print a CARFAX Vehicle History Report, program-specific window sticker, and Used Buyer’s Guide

Vehicle Decertification

Certified vehicles may only be decertified for one of the following reasons:

1. A vehicle is certified by mistake or a data entry error is made on the website certification screen (such as incorrect VIN was entered)
 - In the event of the above, the request to decertify the vehicle must be made within 72 hours (three business days) of initial certification and does not require submission of supporting documentation
2. The vehicle is wholesaled
 - Decertification requests for this reason must be accompanied by documentation, such as a bill of sale or auction block ticket indicating disposition of the unit

3. Local market conditions require the dealership to market a Ford Blue Advantage™ vehicle as a traditional used vehicle
 - If this is the reason the vehicle is being decertified, upon submission of the decertification request to Program Headquarters:
 - Any on-car Certified display materials, such as the Certified Monroney-type window sticker, windshield decals, car flags, etc., indicating the unit is a certified vehicle must be immediately removed

Note: Occasionally a customer may request to purchase a vehicle without the limited warranty and Roadside Assistance coverage. Once the vehicle is certified, the certification status cannot be removed at the request of a customer and thus this decertification reason may not be used in this situation.

It is not necessary to submit any other supporting documentation.

4. Vehicle damaged after certification
 - This reason should be utilized in the event a vehicle is damaged as a result of theft, vandalism by a third party, acts of God, or other circumstance(s) not within the dealer’s control after certification and before a retail sale; this type of damage would have disqualified the vehicle during the certification process
 - Decertification requests for this reason must be accompanied by supporting documentation that includes an insurance claim, repair order, or police report
5. Certified inventory notifications
 - In an effort to alert dealers to aging inventory, email notifications will be sent to the dealership Certified contact listed under each dealership’s profile on the Certified website
 - An email will be sent under the following circumstances:
 - Certified unit reaches an inventory age over 120 days
 - Certified unit reaches an inventory age over 11 months
 - At the one-year mark, the certified unit will be decertified, and the vehicle certification fee will be refunded; dealer will have the ability to recertify vehicle after a reinspection

Website Drill-Downs: Administration and Performance Tracking

Vehicle Decertification (Continued)

Note: Upon completion of the decertification process, the dealership will be credited for the certification fee for decertified units that have been in inventory for more than 90 days (and therefore, the dealership has been billed the appropriate per-unit certification fee). See the Billing and Credit section in this guide for more details.

- Should it become necessary to decertify a certified vehicle, click on the Vehicle Decertification item on the Admin tab drop-down menu on the homepage to begin the process
- Select the search type — VIN or Stock Number — enter the VIN or stock number in the field and click GO
 - If the page returns more than one vehicle, highlight the desired VIN from the certified inventory list displayed and click GO
 - You may limit the certified inventory displayed by selecting a certification date, month and year and click GO — the inventory list will change to display those vehicles certified during the selected month and year. Highlight the desired VIN from the certified inventory list displayed and click GO
- Select the reason the vehicle is to be decertified from the four options provided and click Continue
- To complete the decertification process:
 - Verify that the information for the vehicle being decertified is correct — Click on the “Complete Process” button
 - Clicking on the “Complete Process” button will open a window — Click OK
 - This screen confirms that the vehicle has been decertified and that the Ford Blue Advantage™ Limited Warranty has been removed

Vehicle Eligibility Check

- The program website allows enrolled dealerships to check the CARFAX® database for any vehicle history events that would disqualify the vehicle from the program as well as check for any open safety, compliance, or emission field service actions
- This process is designed to help you decide if a vehicle is eligible for the Ford Blue Advantage program
 - This module can be accessed by clicking Vehicle Eligibility Check from the Admin tab drop-down menu
 - Select the Admin tab on the homepage
 - Click Vehicle Eligibility Check
 - Enter VIN and vehicle mileage; click Continue
 - System will advise if the vehicle is eligible to be certified under either the Gold Certified, EV Certified, or Blue Certified program

Vehicle Reinstatement (Sale Cancellation)

- This function allows the dealership to “reinstate” or place back into inventory a certified vehicle that was previously reported as “sold,” provided:
 - Reinstatement occurs within 30 days of the vehicle being reported as “sold”
- OR
 - Actual vehicle mileage at the time of reinstatement is 1,000 miles or less than the mileage reported on the vehicle’s initial sales report reported at the time of sale
- To access this function, click on the Vehicle Reinstatement item on the Admin tab drop-down menu on the program website homepage
- Vehicle reinstatement is a two-step process; on the first screen, all fields noted by the arrows (appearing on-screen in red) must be completed
- Choose whether to reinstate the vehicle to certified inventory or begin the decertification process, then complete the other required fields on the screen and click Submit

Website Drill-Downs: Administration and Performance Tracking

Vehicle Reinstatement (Continued)

Note: If the vehicle to be reinstated is beyond the time or mileage parameters noted above or the request to reinstate is being made by a staff member not listed in a management position on the Dealer Profile (See details under the About the Program tab and then under the Enrollment menu option), the system will return a page that says “This vehicle cannot be reinstated. Verify the VIN and resubmit,” with a “Previous” button to return to the screen above.

- If you choose to add the vehicle back to certified inventory, verify the information shown — be sure the stock number field is completed — and click Reinstatement
- This will bring up the confirmation screen; highlight one of the three “Window Sticker” buttons and click OK; this will be followed by a screen confirming the vehicle has been reinstated to inventory
 - “Print Window Sticker and Used Car Buyer’s Guide Now” will automatically open two succeeding separate windows from which these can be printed after clicking OK
 - “Print Window Sticker Now” will automatically open a separate window from which the window sticker can be printed after clicking OK
 - “Print Window Sticker Later” allows the sticker to be printed later using the Window Sticker Queue function of the program website (see Window Sticker Queue section for details)
- IF YOU CHOOSE NOT TO REINSTATE THE VEHICLE TO INVENTORY and want to begin the decertification process, a screen appears; verify the information shown — be sure the stock number field is completed — and click Reinstatement
 - This will bring up the confirmation screen; highlight the “Decertify Vehicle” button and click OK; this will automatically launch the vehicle decertification routine detailed earlier in this guide

This process is to be used when a customer returns a vehicle under the Money Back Guarantee element of the program. In this scenario, the vehicle will be reinstated and decertified/removed from the program. It is the dealer’s option to recertify the vehicle and return the vehicle back to Ford Blue Advantage™ inventory after verifying the vehicle still meets Ford Blue Advantage program requirements.

Window Sticker Printing

- Window Sticker Queue
 - This function allows for individual printing of program-authorized Monroney-type window stickers whenever it is convenient
 - Clicking on the Window Sticker Printing item and then the “Queue” sub item on the Admin tab drop-down menu brings up a screen
 - Clicking on the column headers sorts the vehicles in the queue by that column
 - The queue can be sorted in ascending or descending order by clicking on the column headers
 - To print a window sticker and/or Buyer’s Guide for a vehicle, check the box next to the vehicle listing and click Print
 - This brings up additional screens
 - To print a window sticker or Buyer’s Guide, load your paper tray with the appropriate stock and choose Print from the File menu; when printed, close this window
 - To print a Buyer’s Guide, click OK on the screen; this will open a new window from which the Buyer’s Guide can be printed
 - This returns you to the main Window Sticker Queue page; to print stickers for other vehicles in the queue, simply repeat the procedure of checking the vehicle listing and clicking Print for each vehicle a sticker is needed

Website Drill-Downs: Administration and Performance Tracking

Window Sticker Reprinting

- This function allows you to reprint a window sticker for any vehicle in inventory or previously sold (within 30 days from reported sale date) for which a sticker had been previously requested
- Reprint window stickers in the event the original sticker was damaged and needs to be replaced, or a copy of the window sticker for a previously sold vehicle is needed for documentation
- Print window stickers for newly certified vehicles if vehicle equipment information needed to complete the window sticker was not immediately retrievable
- Clicking on the Window Sticker Printing item, then the "Reprint" sub item on the Admin tab drop-down menu brings up a screen
 - Input the VIN or the stock number of the vehicle the replacement sticker is needed for and click GO
 - This launches the Window Sticker Queue function described earlier
 - To print a new window sticker and/or Used Car Buyer's Guide for a vehicle, click on the appropriate boxes next to the vehicle listing and click Print to open separate windows from which these can be printed

Window Sticker Tour

- Clicking on the Window Sticker Printing item, then "Tour" sub item from the Admin tab drop-down menu opens a separate window with a printable document containing step-by-step instructions for in-dealership printing of program-authorized Monroney-type window stickers

"Reporting" Tab

Rolling your cursor over the Reporting tab displays a drop-down menu containing the reports available: Ford Dealer Summary, Ford Model Detail, and Ford VIN Detail

- The program website provides a very sophisticated set of reports that can be used for:
 - Tracking dealership performance in the programs
 - Inventory management and planning
 - Sales force management
- These reports:
 - Are privacy protected — enrolled dealers may see data only for their dealership
 - Can be printed from the program website by choosing the "Print Preview" button or by using the "Export Data" function first and then printing from Excel
 - Do not require any special programming skills/knowledge of data entry to generate; the report layouts and date/sort parameters are all preformatted with all needed data drawn from the dealership's existing Certified database

Dealer Summary Dashboard

This report contains several different tabs that focus on different aspects of a dealership's performance in the Ford Blue Advantage™ program, including:

- **Summary Tab** – This tab provides high-level metric data points on the dealer's performance within the Ford Blue Advantage program.
 - Sales YTD and MTD
 - Current Inventory
 - Certifications MTD
 - Dealer Engagement
 - Sales by Month Chart
 - Inventory by Month Chart
 - FBA Sales % Dealer Used Retail Chart
 - FBA Certified Inventory %
 - Dealer Used Eligible

Website Drill-Downs: Administration and Performance Tracking

Dealer Summary Dashboard (Continued)

- **Comparisons Tab** – This tab looks at Ford Blue Advantage™ sales and inventory as compared with other dealers in the same zone, region, market, or nation.
 - Certified Sales
 - Certified Sales YTD
 - Sales by Certification Level
 - Inventory, Sales, Average
 - Inventory Turn by Cert Level
 - % Dealer Sales vs. % Selected Comparison (zone, region, market, or nation) Sales by Top 10 Models
 - % Dealer Inventory vs. Selected Comparison (zone, region, market, or nation) Inventory by Top 10
- **Rankings Tab** – This tab looks at Ford Blue Advantage total net sales, sales by certification type, and inventory compared with other dealers (in ranked order) in the same zone, region, market, as well as nation.
- **Radius Tab** – This tab looks at Ford Blue Advantage total net sales and sales by certification type compared with other dealers (in ranked order) within the selected radius.
- **Trends Tab** – This tab looks at a dealer's Ford Blue Advantage sales and inventory performance.
 - MTD Sales v. Sales Target
 - YTD Sales v. Sales Target
 - MTD Sales & Inventory by Mode
 - Inventory by Month Chart
 - Day's Supply – MTD
 - Average Inventory Turn – MTD
 - Average Days in Inventory – MTD
 - Vehicles Decertified – MTD

- **Info Tab** – lists the dealership contact information as found on the Ford Blue Advantage Dealer Profile, information on the program training requirements, as well as which employee groups have met these requirements.

More details on the Dealer Summary Dashboard reports are available on the [Dealer Summary Dashboard Job Aid](#).

Model Detail Dashboard

This dashboard has several reports that show different subsets of the models sold and certified by your dealership and the overall Ford Blue Advantage Program:

- **By Model Tab** – This tab shows information on segment types and models sold during the chosen reporting period and by the selected filter criteria.
- **By Dealer Comparison Tab** – This tab looks at Ford Blue Advantage sales by certification and model compared with other dealers in the same zone, region, market, or nation.
- **By Model and Model Year Tab** – This tab shows information by model and model year sold during the chosen reporting period.
- **By Segment Tab** – This tab shows information on vehicles reported as sold, in inventory, and turn rate by segment type during the chosen reporting period and by the selected filter criteria.
- **By Cert Type Tab** – This tab shows information on vehicles reported as sold, in inventory, and turn rate by certification type during the chosen reporting period and by the selected filter criteria.

More details on the Model Detail Dashboard reports are available on the [Model Detail Dashboard Job Aid](#).

Website Drill-Downs: Administration and Performance Tracking

VIN Detail Dashboard

This dashboard has several reports that show different subsets of the vehicles added or eligible to be added to the program by your dealership.

- **VIN Detail Tab** – This tab shows information on vehicles certified during the chosen reporting period.
- **Current Inventory Tab** – This tab shows information on vehicles in the Ford Blue Advantage™ inventory.
- **Not in Used Inventory Feed** – This tab is a subset of the Current Inventory tab but filtered to only show vehicles with a value of “N” in the “Used Inventory Feed” column and days in inventory is seven (7) or greater.
- **Sold Tab** – This tab shows information on vehicles reported as sold in the Ford Blue Advantage program.
- **Canceled Tab** – This tab shows information on vehicles reported as sold but then had their sale record canceled (via the Vehicle Reinstatement function) under the Ford Blue Advantage program.
- **Eligible Vehicles Tab** – This tab shows vehicles identified via a feed from a dealer’s DMS provider to FordDirect that meet the year, make, model, and mileage requirements for the Ford Blue Advantage program.

More details on the VIN Detail Dashboard reports are available on the [VIN Detail Dashboard Job Aid](#).

“Marketing” Tab

This section of the website highlights several related marketing programs available in support of the Ford Blue Advantage program, including:

ATW Tire Discount

This link provides information on the latest Around the Wheel tire discounts available on Ford Blue Advantage vehicles. See the ATW program website for complete details and the latest program information.

Contest and Incentives

Clicking on this item opens a document that shows the current APR support programs, if any

- The information on vehicles covered by the latest Certified APR Support Program should be shared with all Sales Consultants so they can use it with customers during the sales process
- This information can also be found within the Smart VINCENT system

Dealer eStore

Clicking on the Dealer eStore is a direct link to the Ford Blue Advantage section of the Dealer eStore

- All Ford Blue Advantage point-of-sale merchandising, program reference, and training materials are available for order at no charge. These are just a few of the items available:
 - Window sticker stock for each Certified level
 - Used Buyer’s Guide stock
 - Customer brochures
 - License plate inserts
 - Windshield decals
 - Car flags
 - Rearview mirror hangtags

Website Drill-Downs: Administration and Performance Tracking

Dealer Toolbox

- Clicking on this link will direct you to the Dealer Toolbox, where you can find Ford Blue Advantage™-specific:
 - Digital Assets
 - Flags
 - Ford Blue Advantage in a box
 - Guidelines
 - Logos

FBA Money Back Guarantee

- Clicking on this allows dealers to access the following:
 - Claims
 - Dealer Communication
 - Dealer Video
 - FAQs
 - Information
 - Opt Out

FBA Primary Support Sign

Click on this link to open information on Primary Support signs that can be installed at your dealership in support of the Ford Blue Advantage program.

FRAC FBA Certification Fee Subsidies

Click on this link to open information about certification fee subsidies that may be available for FRAC vehicles that are taken out of service and immediately placed into the Ford Blue Advantage program.

Gold Certified Limited Warranty Statement

Gold Certified | Limited Warranty

1 of 2

Ford Blue Advantage® – Gold Certified Limited Warranty coverage is provided by Ford Motor Company on eligible pre-owned vehicles. Ford Motor Company will provide for repair or replacement of covered components on the vehicle during the Limited Warranty period in accordance with the following terms, conditions, and limitations.

Gold Certified Limited Warranty Coverage:

1. **Comprehensive Coverage:** Provided for 12 months or 12,000 miles (whichever comes first) from the expiration of the Ford New Vehicle Limited Warranty or the date of your Ford Blue Advantage – Gold Certified Vehicle purchase (whichever comes later). Coverage is not as extensive as that provided under the New Vehicle Limited Warranty. See the New Vehicle Limited Warranty Owner's Guide for details.
2. **Powertrain Coverage:** Provided for 7 years or 100,000 miles (whichever comes first) from the original Ford New Vehicle Limited Warranty start date.
3. **Deductible:** Repairs completed under any remaining Ford New Vehicle Limited Warranty coverage (if applicable) have a \$0 standard deductible per repair visit. Repairs completed under this Limited Warranty have a \$100 standard deductible per repair visit.
4. **24-Hour Roadside Assistance:** The following services are provided by either Cross Country Motor Club Inc. or Cross Country California Inc. To request Roadside Assistance or for customer inquiries/claims, call Ford Roadside at 800-241-3673 or write to Ford Roadside at P.O. Box 9145, Medford, MA 02155. Roadside service includes:
- Flat tire change
 - Battery jump starts
 - Towing assistance up to \$100
 - Lockout assistance
 - Out-of-fuel assistance
 - Travel expense reimbursement up to \$1,000 for up to five days when the breakdown occurs 100 miles or more from your residence
 - Destination assistance covers taxi, shuttle, or rental car expense up to \$75 for emergency transportation to the immediate destination
5. **Rental Car Reimbursement:** If your vehicle is inoperative and must be kept overnight for a covered repair performed under this Limited Warranty, the Manufacturer's Limited Warranty, or a Ford Motor Company recall/customer satisfaction program, you may be eligible for reimbursement of receipted expenses for a rental car or for alternate public transportation (including but not limited to Uber, Lyft, etc.) for up to \$40 per day (including tax) for up to five days or until repair is complete, whichever comes first.
6. **Where to Go for Repairs:** To obtain repairs or services under this Limited Warranty on Ford products, we require that you return to your selling dealer or any other Ford franchised dealership in the United States. You can call 800-392-FORD to find the nearest Ford Dealership. For an emergency repair, you may use other repair or service facilities if all local Ford Dealerships and Lincoln Retailers within a 25-mile radius are closed.
7. **Repairs:** All repairs will be made with authorized new or remanufactured parts or other parts we authorize. Your dealer will repair, replace, or service all covered components that are found to be defective in factory-supplied materials or workmanship during the applicable warranty period based on this Limited Warranty. If parts are unavailable, we may offer you a cash settlement equivalent to the cost of parts or repair.
8. **Loss Limits:** Our liability for any one (1) repair visit shall not exceed the current retail value of your vehicle immediately prior to the breakdown. Retail value is to be determined by "National Automobile Dealers Association (NADA) Guide" or other nationally published vehicle valuation guide, taking into consideration the location, mileage, and condition of the vehicle. We will only participate in a repair and have no obligation to remit payment in lieu of repair. All benefits are subject to this limit of liability.
9. **Care of Vehicle:** To obtain coverage or reimbursement under this Limited Warranty, you must: (i) properly operate and maintain the vehicle, and (ii) provide proof of scheduled maintenance services when the failure appears to be directly related to the lack of required or recommended maintenance for your vehicle as outlined in the Owner's or Scheduled Maintenance Guide. Proof of scheduled maintenance services includes maintenance records that show mileage, date of maintenance service, VIN, and the maintenance that was performed. Scheduled maintenance services require periodic service checks based on mileage intervals and the make and model of your vehicle. Please review the Owner's Guide for your scheduled maintenance service requirements. If you perform your own scheduled maintenance services, you must maintain a log, including date, mileage, and description of each maintenance service, and provide corresponding receipts for purchases of parts and fluids.
10. **Transferability:** This Limited Warranty is transferable. Any remaining coverage will remain in effect with the new vehicle owner.
11. **Warranty Information:** You may contact Ford Motor Company at P.O. Box 6045, Dearborn, MI 48121.

This Limited Warranty gives you specific legal rights. You may also have other rights, which may vary from state to state. To the extent allowed by law, any implied warranty of merchantability or fitness for a particular purpose applicable to this vehicle is limited in duration to the term of this written warranty. Ford Motor Company and your dealership shall not be liable for loss of time, inconvenience, commercial loss, or for any other incidental or consequential damages. Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Coverage under this Limited Warranty is in addition to any remaining new-vehicle bumper-to-bumper limited warranty coverage. Ford Motor Company does not authorize any person to create for it any obligation or liability in connection with this Limited Warranty. Valid only in the continental United States, Alaska, Hawaii, Canada, and Mexico.

This Gold Certified Limited Warranty statement is valid for:

Gold Certified | Limited Warranty

2 of 2

Gold Certified Limited Warranty Covered Items – Powertrain Coverage:

Unless otherwise excluded herein, the following items are covered.

Engine – Cylinder block and internal lubricated parts, seals and gaskets, the cylinder heads, manifold (exhaust, intake, and bolts), factory-installed turbocharger/supercharger units, timing chain (gears or belt), flywheel, valve covers, oil pan, timing chain cover, oil pump, water pump, thermostat, and thermostat housing. (Exceptions: Fuel-injection components are not covered.)

Transmission – Transmission case and all internal parts, including torque converter and transfer case (all internal parts), seals, gaskets, and transmission control module.

Front-Wheel Drive – Front drive housing and rear axle housing for AWD (including all internal parts), universal and constant velocity joints, axle shafts, locking rings (four-wheel-drive vehicles), seals and gaskets, and automatic front locking hubs (four-wheel drive).

Rear-Wheel Drive – Drive axle housings and front axle housing for 4x4 (including all internal parts), universal and constant velocity joints, axle shafts, seals and gaskets, and driveshafts.

Gold Certified Limited Warranty Covered Items – Comprehensive Coverage:

All failures are covered except for those items excluded herein.

What Is Not Covered by This Limited Warranty:

- A) Repairs covered by manufacturer recalls, insurance or in-force warranty, or warranty provided by an insolvent manufacturer or insurer, even if repair coverage has been denied;
- B) Repairs to any engine, transmission, and final-drive components for damages caused by an aftermarket (non-factory-installed) part, including but not limited to: turbocharger, supercharger, compressed natural gas (CNG), liquid propane gas (LPG), nitrous oxide fuel system modification, or any other performance-enhancing powertrain components, including but not limited to racing parts or accessories;
- C) Repairs caused by loss of lubricants or fluids or contamination of oil, fluids, or fuel. Repairs caused by continued operation of the vehicle after loss of lubricant or fluids or contamination of oil, fluids, or fuel;
- D) Repairs caused by: (1) improper or unauthorized service procedures, collisions, or other physical damage to the vehicle; (2) damage caused by a foreign object; (3) unreasonable use (including driving over curbs, overloading, or using the vehicle as a stationary power source); (4) continued use with an obvious failure; (5) damage from fire or explosions, road hazards, other casualty losses; or (6) losses due to negligence, including racing;
- E) Failures caused by: (1) alterations or modifications of the vehicle, including the body, chassis, or electronic components, after the vehicle leaves the control of the manufacturer; (2) any part designated for "off-road only" that is not installed by the manufacturer, including, but not limited to, lift kits, oversized tires, roll bars, and performance-enhancing powertrain components; (3) tampering with the vehicle or the emissions system and components; (4) installation or use of any mechanical or electrical part not approved, certified, or authorized by the vehicle's manufacturer, or any failure caused by aftermarket (non-factory-approved) PCM reprogramming;
- F) Repairs made to the vehicle that are required due to a condition that existed prior to the purchase or transfer of this Agreement;
- G) Repairs or services caused by lack of required or recommended maintenance;
- H) Scheduled maintenance services;
- I) Repairs needed to a covered part caused by the failure of a non-covered part;
- J) Repairs to the vehicle if the odometer is altered, broken, repaired, or replaced so that we cannot determine the actual mileage on the vehicle;
- K) Repairs to the vehicle necessary due to operation outside of the United States, Guam, Mexico, Puerto Rico, Virgin Islands, American Samoa, or Canada;
- L) Loss of use of the vehicle, loss of income, special or consequential damages, and personal expenses, such as motels, food, gas, and mileage (except as provided by Roadside Assistance);
- M) Rental vehicle charges or fees such as mileage charges, drop-off fees, insurance, or gasoline;
- N) Shop supplies and disposal of environmental wastes from the vehicle or fuel used during the repair of your vehicle or storage fees;
- O) Electrical failures on incandescent bulbs, halogen bulbs, high-intensity discharge (HID), and LED lamp assemblies;
- P) Service adjustments and cleaning/lubricating procedures, fixed (non-moving) body parts, bumpers, glass, moldings, ornamentation, paint, rust, sheet metal, structural underbody framework, sideview and rear-view mirrors (glass and housing), rattles/squeaks/wind noise/odors/water leaks, tires, tune-ups, wheel balancing, wheel alignment, fogging/moisture of lamp assemblies, weather strips, wheels, wheel studs, wheel covers, convertible top and bow, fabric, liners, fasteners, carpets, dash pad, knobs, trim, upholstery, physical damage, or cosmetic issues;
- Q) Damage caused by the environment and pollution, including airborne fallout, corrosion, chemicals, debris, tree sap, salt, hail, windstorm, lightning, freezing, flooding, earthquake, snow, or ice;
- R) Damage caused by theft, vandalism, terrorism, riot, or acts of war;
- S) All wear items, including batteries of all types and cables, brakes (front hub, drums, shoes, linings, disc rotors, pads), exhaust system (includes catalytic converter), and software upgrades;
- T) Costs or expenses of failures not covered by this Agreement, including teardown, rental expense, inspection, or diagnosis;
- U) The following vehicles and/or usage are not covered by this Agreement: all competitive-make vehicles, Foose F-150®, GT, Mustang®, all Roush performance-modified vehicles (except Stage 1 and Stage 2), Shelby® GT500KR™, GTS, Supersnake and any other Shelby performance-modified vehicles, Tonka, all Saleen modified vehicles, and Transit Connect® Electric, taxis, vehicles used for competitive driving, racing, off-road use, performance-modified vehicles, 4x2-equipped vehicles modified for 4x4/4WD capabilities, police, fire, ambulances, and tow trucks;
- V) Branded vehicles or any vehicle that does not have a valid or recognizable VIN, or the New Vehicle Limited Warranty is voided, in whole or part, by the manufacturer;
- W) Vehicles manufactured for sale outside the United States or Canada;
- X) Coil-over shock sometimes defined as a strut, unless MacPherson-style suspension component;
- Y) Repairs or services to aftermarket performance-enhancing powertrain components, including, but not limited to, Ford racing parts or accessories.

EV Certified Limited Warranty Statement

EV Certified | Limited Warranty

1 of 2

Ford Blue Advantage® – EV Certified Limited Warranty (Limited Warranty) coverage is provided by Ford Motor Company on eligible pre-owned vehicles. Ford Motor Company will provide for repair or replacement of covered components on the vehicle during the Limited Warranty period in accordance with the following terms, conditions, and limitations.

EV Certified Limited Warranty Coverage:

- Comprehensive Coverage:** Provided for 12 months or 12,000 miles (whichever comes first) from the expiration of the Ford New Vehicle Limited Warranty or the date of your Ford Blue Advantage – EV Certified Vehicle purchase (whichever comes later). Coverage is not as extensive as that provided under the New Vehicle Limited Warranty. See the New Vehicle Limited Warranty Owner's Guide for details.
- BaseCARE EV Coverage:** Provided for 8 years or 100,000 miles (whichever comes first) from the original Ford New Vehicle Limited Warranty start date.
- Deductible:** Repairs completed under any remaining Ford New Vehicle Limited Warranty coverage (if applicable) have a \$0 standard deductible per repair visit. Repairs completed under this Limited Warranty have a \$100 standard deductible per repair visit.
- 24-Hour Roadside Assistance:** The following services are provided by either Cross Country Motor Club, Inc. or Cross Country California, Inc. To request Roadside Assistance or for customer inquiries/claims, call Ford Roadside at 800-241-3673 or write to Ford Roadside at P.O. Box 9145, Medford, MA 02155. Roadside service includes:
 - Flat tire change
 - Towing assistance up to \$100
 - Lockout assistance
 - Travel expense reimbursement up to \$1,000 for up to five days when the breakdown occurs 100 miles or more from your residence
 - Destination assistance covers taxi, shuttle, or rental car expense up to \$75 for emergency transportation to the immediate destination
- Rental Car Reimbursement:** If your vehicle is inoperative and must be kept overnight for a covered repair performed under this Limited Warranty, the Manufacturer's Limited Warranty or a Ford Motor Company recall/customer satisfaction program, you may be eligible for reimbursement of receipted expenses for a rental car or for alternate public transportation (including but not limited to Uber, Lyft, etc.) for up to \$45 per day (including tax) for up to five days or until repair is complete, whichever comes first.
- Where to Go for Repairs:** To obtain repairs or services under this Limited Warranty on Ford products, we require that you return to your selling dealer or any other Ford franchised dealership in the United States. You can call 800-392-FORD to find the nearest Ford Dealership. For an emergency repair, you may use other repair or service facilities if all local Ford Dealerships or Lincoln Retailers within a 25-mile radius are closed.
- Repairs:** All repairs will be made with authorized new or remanufactured parts or other parts we authorize. Your dealer will repair, replace, or service all covered components that are found to be defective in factory-supplied materials or workmanship during the applicable warranty period based on this Limited Warranty. If parts are unavailable, we may offer you a cash settlement equivalent to the cost of parts or repair. Ford Motor Company reserves the right to review the requested repair or service or to inspect the vehicle before performing any service or repairs.
- Loss Limits:** Our liability for any one (1) repair visit shall not exceed the current retail value of your vehicle immediately prior to the breakdown. Retail value is to be determined by "National Automobile Dealers Association (NADA) Guide" or other nationally published vehicle valuation guide, taking into consideration the location, mileage, and condition of the vehicle. We will only participate in a repair and have no obligation to remit payment in lieu of repair. All benefits are subject to this limit of liability.
- Care of Vehicle:** To obtain coverage or reimbursement under this Limited Warranty, you must: (i) properly operate and maintain the vehicle, and (ii) provide proof of scheduled maintenance services when the Failure appears to be directly related to the lack of required or recommended maintenance for your vehicle as outlined in the Owner's or Scheduled Maintenance Guide. Proof of scheduled maintenance services includes maintenance records that show mileage, date of maintenance service, VIN, and the maintenance that was performed. Scheduled maintenance services require periodic service checks based on mileage intervals and the make and model of your vehicle. Please review the Owner's Guide for your scheduled maintenance service requirements. If you perform your own scheduled maintenance services, you must maintain a log, including date, mileage, and description of each maintenance service, and provide corresponding receipts for purchases of parts and fluids.
- Transferability:** This Limited Warranty is transferable. Any remaining coverage will remain in effect with the new vehicle owner.
- Warranty Information:** You may contact Ford Motor Company at P.O. Box 6045, Dearborn, MI 48121.

This Limited Warranty gives you specific legal rights. You may also have other rights, which may vary from state to state. To the extent allowed by law, any implied warranty of merchantability or fitness for a particular purpose applicable to this vehicle is limited in duration to the term of this written warranty. Ford Motor Company and your dealership shall not be liable for loss of time, inconvenience, commercial loss, or for any other incidental or consequential damages. Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Coverage under this Limited Warranty is in addition to any remaining new-vehicle bumper-to-bumper limited warranty coverage. Ford Motor Company does not authorize any person to create for it any obligation or liability in connection with this Limited Warranty. Valid only in the continental United States, Alaska, Hawaii, Canada, and Mexico.

EV Certified | Limited Warranty

2 of 2

EV Certified Limited Warranty Covered Items – BaseCARE EV Coverage:
Unless otherwise excluded herein, the following items are covered.

Drive Motors – Traction motor and all related internal parts. Rear-Wheel Drive – Drive axle housings, universal and constant velocity joints, axle shafts, seals and gaskets, driveshafts, oil pump, and water pump.

Front-Wheel Drive – Front drive housing and rear axle housing for AWD (including all internal parts), universal and constant velocity joints, axle shafts, locking rings (four-wheel drive vehicles), seals and gaskets, and automatic front locking hubs (four-wheel drive). Odometer and Speedometer – including all cables and connectors. Steering – seals and gaskets, power steering gear housing and all internal parts, including linkages, column lock (tilt wheel), and the idler arm.

Front Suspension – MacPherson struts, upper and lower control arms, stabilizer bar, linkage and bushings, tie rods, kingpins and bushings, spindle, and spindle supports. NOTE: This coverage includes only the items listed in this paragraph and does not include either front-end alignments or wheel balancing, unless the repair to such items is required in connection with the repair of a Failure.

Brakes – Master cylinder, calipers and wheel cylinders, combination valve, all metal lines and fittings, power brake booster, backing plates, springs, clips and retainers, self-adjusters, parking brake linkage and cables, brake pedal shaft. NOTE: This coverage includes only the items listed in this paragraph and does not include brake drums, rotors, linings, or pads, unless the repair to such items is required in connection with the repair of a covered Failure.

Air Conditioning – Compressor, condenser, evaporator, AC compressor head, AC compressor clutch switch, AC clutch and clutch bearings, compressor seals, pulley, and field coil.

Electrical – Manually operated electrical switches, ignition switch, wiper motors, radiator fan relay, wiring harnesses, and electrical components of a heated back glass. NOTE: Heated back glass coverage is for electrical components only and does not include general glass damage or breakage.

EV Certified Limited Warranty Covered Items – Comprehensive Coverage:
All Failures are covered except for those items excluded herein.

What Is Not Covered by This Limited Warranty:
Unless stated otherwise (see STATE-SPECIFIC provisions for additional exclusions or changes), the following are excluded from coverage:

- Repairs covered by manufacturer recalls, insurance or in-force warranty or warranty provided by an insolvent manufacturer or insurer, even if repair coverage has been denied;
- Repairs to drive components for damages caused by an aftermarket (non-factory installed) or any other performance-enhancing powertrain components, including, but not limited to, racing parts or accessories;
- Repairs caused by loss of lubricants or fluids or contamination of oil, fluids, or fuel. Repairs caused by continued operation of the vehicle after loss of lubricant or fluids or contamination of oil or fluids;
- Repairs caused by: (1) improper or unauthorized service procedures, collisions, or other physical damage to the Vehicle; (2) damage caused by a foreign object; (3) unreasonable use (including driving over curbs, overloading, or using the Vehicle as a stationary power source); (4) continued use with an obvious Failure; (5) damage from fire or explosions, road hazards, other casualty losses; or (6) losses due to negligence, including racing;
- Failures caused by: (1) alterations or modifications of the Vehicle, including the body, chassis, or electronic components, after the Vehicle leaves the control of the manufacturer; (2) any part designated for "off-road only" that is not installed by the manufacturer, including, but not limited to, lift kits, oversized tires, roll bars, and performance-enhancing powertrain components; (3) tampering with the Vehicle or the emissions system and components; (4) installation or use of any mechanical or electrical part not approved, certified, or authorized by the Vehicle's manufacturer or any Failure caused by aftermarket (non-factory approved) PCM reprogramming;
- All repairs that are required due to a condition that existed prior to the Signature Date of this Agreement;
- Repairs or services caused by lack of required or recommended maintenance, per the manufacturer's guidelines;
- Scheduled Maintenance Services;
- Repairs needed to a covered part caused by the Failure of a noncovered part;
- Repairs to the Vehicle if the odometer is altered, broken, repaired, or replaced so that we cannot determine the actual mileage on the Vehicle;
- Repairs to the Vehicle necessary due to operation outside of the United States, Guam, Mexico, Puerto Rico, Virgin Islands, American Samoa, or Canada;
- Loss of use of the Vehicle, loss of income, special or consequential damages, and personal expenses, such as motels, food, and mileage (except as provided by Roadside Assistance);
- Rental vehicle charges or fees such as mileage charges, drop-off fees, or insurance;
- Shop supplies and disposal of environmental wastes from the Vehicle or fuel used during the repair of the Vehicle or storage fees;
- Electrical failures on incandescent bulbs, halogen bulbs, high-intensity discharge (HID), and LED lamp assemblies (except when Interior/Exterior Lighting Option is purchased);
- Service adjustments and cleaning/lubricating procedures, fixed (non-moving) body parts, bumpers, glass, moldings, ornamentation, paint, rust, sheet metal, structural underbody framework, sideview and rearview mirrors (glass and housing), rattles/squeaks/wind noise/odors/water leaks, tires, tune-ups, wheel balancing, wheel alignment, fogging/moisture of lamp assemblies, weather strips, wheels, wheel studs, wheel covers, convertible top and bow, fabric, liners, fasteners, carpets, dash pad, knobs, trim, upholstery, physical damage, or cosmetic issues;
- Damage caused by the environment and pollution, including airborne fallout, corrosion, chemicals, debris, tree sap, salt, hail, windstorm, lightning, freezing, flooding, earthquake, snow, or ice;
- Damage caused by theft, vandalism, terrorism, riot, or acts of war;
- Batteries of all types and cables, brakes (front hub, drums, shoes, linings, disc rotors, pads), and software upgrades;
- Costs or expenses of Failures not covered by this Agreement, including teardown, rental expense, inspection, or diagnosis;
- Branded Vehicles or any vehicle that does not have a valid or recognizable VIN or the New Vehicle Limited Warranty is voided, in whole or part, by the manufacturer;
- Vehicles manufactured for sale outside the United States or Canada;
- Coil-over shock, sometimes defined as a strut, unless MacPherson-style suspension component;
- Repairs or services to aftermarket performance-enhancing powertrain components, including, but not limited to, Ford racing parts or accessories.

Blue Certified Limited Warranty Statement

Blue
Advantage

Blue Certified | Limited Warranty

1 of 2

Ford Blue Advantage™ – Blue Certified Limited Warranty (Limited Warranty) coverage is provided by Ford Motor Company on eligible pre-owned vehicles. Ford Motor Company will provide for repair or replacement of covered components on the vehicle during the Limited Warranty period in accordance with the following terms, conditions, and limitations.

Blue Certified Limited Warranty Coverage:

1. **Provided for three months or 4,000 miles.** If you purchased a Ford, Buick, Chevrolet, Chrysler, Dodge, GMC, Honda, Jeep, Mazda, Nissan, Ram, Subaru, or Toyota vehicle, this Limited Warranty begins at the expiration of the New Vehicle Limited Warranty or the signature date of your Ford Blue Advantage – Blue Certified Vehicle purchase (whichever comes later). Coverage is not as extensive as that provided under the New Vehicle Limited Warranty. See the New Vehicle Limited Warranty Owner's Guide for details.
- If your vehicle is not one of the Manufacturers listed above, this Limited Warranty begins at the signature date (and current miles) of your vehicle purchase.
2. **Deductible:** Repairs completed under any remaining Ford New Vehicle Limited Warranty coverage (if applicable) have a \$0 standard deductible per repair visit. Repairs completed under this Limited Warranty have a \$100 standard deductible per repair visit.
3. **24-Hour Roadside Assistance:** The following services are provided by either Cross Country Motor Club Inc. or Cross Country California Inc. To request Roadside Assistance or for customer inquiries/claims, call Ford Roadside at 800-241-3673 or write to Ford Roadside at P.O. Box 9145, Medford, MA 02155. Roadside service includes:
- Flat tire change
 - Battery jump starts
 - Towing assistance up to \$100
 - Lockout assistance
 - Out-of-fuel assistance
 - Travel expense reimbursement up to \$1000 for up to five days when the breakdown occurs 100 miles or more from your residence
 - Destination assistance covers taxi, shuttle, or rental car expense up to \$75 for emergency transportation to the immediate destination
4. **Rental Car Reimbursement:** If your vehicle is inoperative and must be kept overnight for a covered repair performed under this Limited Warranty, the Manufacturer's Limited Warranty, or a Ford Motor Company recall/customer satisfaction program, you may be eligible for reimbursement of receipted expenses for a rental car or for alternate public transportation (including but not limited to Uber, Lyft, etc.) for up to \$40 per day (including tax) for up to five days or until repair is complete, whichever comes first.
5. **Where to Go for Repairs:** To obtain repairs or services under this Limited Warranty on Ford vehicles, we require that you return to your selling dealer or any other Ford or Lincoln Franchised dealership in the United States, Canada, or Mexico. You can call 800-392-FORD to find the nearest Ford Dealership. For an emergency repair, you may use other repair or service facilities if all local Ford Dealerships or Lincoln Retailers within a 25-mile radius are closed. On competitive-make vehicles, we recommend that you return to your selling dealer or other repair facility to obtain repairs or services to your vehicle. Call 800-521-4344 to determine if repairs or services to your competitive-make vehicle are covered by this warranty. To request reimbursement, you must provide a copy of the repair order and proof of payment to your selling dealer or contact 1-800-321-7790. You have one year from the repair order open date or payment receipt date to request your reimbursement.
6. **Repairs:** All repairs will be made with authorized new or remanufactured parts or other parts we authorize. Your dealer will repair, replace, or service all covered components that are found to be defective in factory-supplied materials or workmanship during the applicable warranty period based on this Limited Warranty. If parts are unavailable, we may offer you a cash settlement equivalent to the cost of parts or repair. Ford Motor Company reserves the right to review the requested repair or service or inspect the vehicle before performing any service or repairs.
7. **Loss Limits:** Our liability for any one (1) repair visit shall not exceed the current retail value of your vehicle immediately prior to the breakdown. Retail value is to be determined by "National Automobile Dealers Association (NADA) Guide" or other nationally published vehicle valuation guide, taking into consideration the location, mileage, and condition of the vehicle. We will only participate in a repair and have no obligation to remit payment in lieu of repair. All benefits are subject to this limit of liability.
8. **Care of Vehicle:** To obtain coverage or reimbursement under this Limited Warranty, you must: (i) properly operate and maintain the vehicle, and (ii) provide proof of scheduled maintenance services when the failure appears to be directly related to the lack of required or recommended maintenance for your vehicle as outlined in the Owner's or Scheduled Maintenance Guide. Proof of scheduled maintenance services includes maintenance records that show mileage, date of maintenance service, VIN, and the maintenance that was performed. Scheduled maintenance services require periodic service checks based on mileage intervals and the make and model of your vehicle. Please review the Owner's Guide for your scheduled maintenance service requirements. If you perform your own scheduled maintenance services, you must maintain a log, including date, mileage, and description of each maintenance service, and provide corresponding receipts for purchases of parts and fluids.
9. **Transferability:** This Limited Warranty is transferable. Any remaining coverage will remain in effect with the new vehicle owner.
10. **Warranty Information:** You may contact Ford Motor Company at P.O. Box 6045, Dearborn, MI 48121.

This Limited Warranty gives you specific legal rights. You may also have other rights, which may vary from state to state. To the extent allowed by law, any implied warranty of merchantability or fitness for a particular purpose applicable to this vehicle is limited in duration to the term of this written warranty. Ford Motor Company and your dealership shall not be liable for loss of time, inconvenience, commercial loss, or for any other incidental or consequential damages. Some states do not allow limitations on how long an implied warranty will last or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. Coverage under this Limited Warranty is in addition to any remaining new-vehicle bumper-to-bumper limited warranty coverage. Ford Motor Company does not authorize any person to create for it any obligation or liability in connection with this Limited Warranty. Valid only in the continental United States, Alaska, Hawaii, Canada, and Mexico.

Blue Certified Covered Items – Limited Warranty Coverage:

All failures are covered except for those items excluded herein.

What Is Not Covered by This Limited Warranty:

- A) Repairs covered by manufacturer recalls, insurance or in-force warranty or warranty provided by an insolvent manufacturer or insurer, even if repair coverage has been denied;
- B) Repairs to any engine, transmission, and final-drive components for damages caused by an aftermarket (non-factory-installed) part, including but not limited to: turbocharger, supercharger, compressed natural gas (CNG), liquid propane gas (LPG), nitrous oxide fuel system modification, or any other performance-enhancing powertrain components, including but not limited to racing parts or accessories;
- C) Repairs caused by loss of lubricants or fluids or contamination of oil, fluids, or fuel. Repairs caused by continued operation of the vehicle after loss of lubricant or fluids or contamination of oil, fluids, or fuel;
- D) Repairs caused by: (1) improper or unauthorized service procedures, collisions, or other physical damage to the vehicle; (2) damage caused by a foreign object; (3) unreasonable use (including driving over curbs, overloading, or using the vehicle as a stationary power source); (4) continued use with an obvious failure; (5) damage from fire or explosions, road hazards, other casualty losses; or (6) losses due to negligence, including racing;
- E) Failures caused by: (1) alterations or modifications of the vehicle, including the body, chassis, or electronic components, after the vehicle leaves the control of the manufacturer; (2) any part designated for "off-road only" that is not installed by the manufacturer, including, but not limited to, lift kits, oversized tires, roll bars, and performance-enhancing powertrain components; (3) tampering with the vehicle or the emissions system and components; (4) installation or use of any mechanical or electrical part not approved, certified, or authorized by the vehicle's manufacturer, or any failure caused by aftermarket (non-factory-approved) PCM reprogramming;
- F) Repairs made to the vehicle that are required due to a condition that existed prior to the purchase or transfer of this Agreement;
- G) Repairs or services caused by lack of required or recommended maintenance;
- H) Scheduled maintenance services;
- I) Repairs needed to a covered part caused by the failure of a non-covered part;
- J) Repairs to the vehicle if the odometer is altered, broken, repaired, or replaced so that we cannot determine the actual mileage on the vehicle;
- K) Repairs to the vehicle necessary due to operation outside of the United States, Guam, Mexico, Puerto Rico, Virgin Islands, American Samoa, or Canada;
- L) Loss of use of the vehicle, loss of income, special, or consequential damages, and personal expenses, such as motels, food, gas, and mileage (except as provided by Roadside Assistance);
- M) Rental vehicle charges or fees, such as mileage charges, drop-off fees, insurance, or gasoline;
- N) Shop supplies and disposal of environmental wastes from the vehicle or fuel used during the repair of your vehicle or storage fees;
- O) Electrical failures on incandescent bulbs, halogen bulbs, high-intensity discharge (HID), and LED lamp assemblies;
- P) Service adjustments and cleaning/lubricating procedures, fixed (non-moving) body parts, bumpers, glass, moldings, ornamentation, paint, rust, sheet metal, structural underbody framework, sideview and rearview mirrors (glass and housing), rattles/squeaks/wind noise/odors/water leaks, tires, tune-ups, wheel balancing, wheel alignment, fogging/moisture of lamp assemblies, weather strips, wheels, wheel studs, wheel covers, convertible top and bow, fabric, liners, fasteners, carpets, dash pad, knobs, trim, upholstery, physical damage, or cosmetic issues;
- Q) Damage caused by the environment and pollution, including airborne fallout, corrosion, chemicals, debris, tree sap, salt, hail, windstorm, lightning, freezing, flooding, earthquake, snow, or ice;
- R) Damage caused by theft, vandalism, terrorism, riot, or acts of war;
- S) All wear items, including batteries of all types and cables, brakes (front hub, drums, shoes, linings, disc rotors, pads), exhaust system (includes catalytic converter), and software upgrades;
- T) Costs or expenses of failures not covered by this Agreement, including teardown, rental expense, inspection, or diagnosis;
- U) The following vehicles and/or usage is not covered by this Limited Warranty: Alpha Romeo, Aston Martin, Bentley, Bugatti, Ferrari, Fisker, Hummer, Lamborghini, Land Rover, Lotus, Maserati, Maybach, McLaren, Porsche, Rolls Royce, Saab, Suzuki, Tesla, and Wheego. Acura: NSX; Audi: A8, R8, R9, R20, RS Q8, S8, SQ7, and SQ8; BMW: 6 series, 7 series, 8 series, i8, M series, Z8, Alpina, and Z8; Cadillac: V series and XLR; Chevrolet: Camaro ZL1, Corvette 427, Corvette Z06, and Corvette ZR1; Chrysler: SRT; Dodge: Charger R/T Scat Pack, Challenger R/T Scat Pack, SRT, Stealth, and Viper; Ford: Foose F-150®, Fusion® Energi, GT, Mustang® All Roush Performance Modified Vehicles (except Stage 1 and Stage 2), Mustang® Shelby® GT500KR®, GT5, and Supersnake, Tonka, and any other Shelby Performance Modified Vehicles, all Saleen modified vehicles, and Transit Connect® Electric; Honda: Civic Natural Gas, and Fuel Cell X Clarity; Jaguar: F-Type, XJ series, and XK series; Jeep: SRT and TrackHawk; Lexus: F, GS-F, LF-A, and RC F; Mercedes-Benz: AMG, CL Class, G Class, GL Class, GLC Class, Kompressor, S Class, SL Class, and SLR Class; Nissan: GT-R; and Volkswagen: Phaeton and any model with a W12 engine; taxis, vehicles used for competitive driving/racing/off-road use, all performance modified vehicles (including Hennessey), fuel cell vehicles, 4x2 equipped vehicles modified with 4x4 AWD capabilities and equivalent non-Ford vehicle series, police, fire, ambulances, and tow trucks;
- V) Branded vehicles or any vehicle that does not have a valid or recognizable VIN, or the New Vehicle Limited Warranty is voided, in whole or part, by the manufacturer;
- W) Vehicles manufactured for sale outside the United States or Canada;
- X) Coil-over shock sometimes defined as a strut, unless MacPherson-style suspension component;
- Y) Repairs or services to aftermarket performance-enhancing powertrain components, including but not limited to, Ford racing parts or accessories.

Gold and EV Certified Vehicle Delivery Checklists

Gold Certified Vehicle Delivery Checklist

Congratulations on your purchase of a Ford Blue Advantage™ vehicle! Our dealership's Quality Commitment is a promise to do our best to satisfy your total transportation needs. As part of our commitment, we certify that all the pre-delivery items on this form have been checked to help ensure your satisfaction with your vehicle.

Vehicle Identification Number (VIN) _____

Vehicle Document Review

- ☐ Ford Blue Advantage Limited Warranty statement
- ☐ Ford Blue Advantage 172-point vehicle inspection checklist
- ☐ Vehicle History Report
- ☐ Owner's Guide and Service Guide (scheduled maintenance guide)
- ☐ Ford Protect™ Service Contract/Maintenance Plan (optional)
- ☐ Open Recall Sample Owner Letter or Advance Notice (if applicable)
- ☐ Open Recall Number (if applicable): _____

- ☐ Title document/financing documents
- ☐ Registration work progress/procedures
- ☐ Temporary license plate expiration (if applicable): _____
- ☐ Lienholder (if applicable): _____
- ☐ First payment due (if applicable): _____
- ☐ Roadside Assistance number: 1-800-241-3673

I acknowledge that I have been informed of any open recall(s) and have been provided a copy of the Sample Owner Letter or Advance Notice.

_____ Customer's Initials

Vehicle Document Review

Some operating features are optional and may not be included with your vehicle.

Convenience Features:

- ☐ Remote keyless entry/key fobs _____
- ☐ SYNC/Bluetooth®/Apple CarPlay®/Android Auto™ system orientation (if applicable)
- ☐ LCD cluster displays/vehicle personalization overview
- ☐ Navigation System (if applicable)
- ☐ Liftgate operation
- ☐ Vehicle starting procedures (starter interlock)
- ☐ Climate control and front/rear defroster operation
- ☐ Moonroof operation (if applicable)
- ☐ Remote Start System (if applicable)
- ☐ Third-row seat management (if applicable)
- ☐ Explained any other operating features that are unique to this vehicle

Safety Features:

- ☐ Two sets of keys provided
- ☐ Full tank of fuel provided
- ☐ Seat adjustment, adjustable steering wheel
- ☐ Operation of mirrors/auto-dimming day/night rearview mirror/heated mirrors
- ☐ Wiper and washer operation/rear/rain sensing (if applicable)
- ☐ Speed control operation
- ☐ Review 4WD/AWD operation
- ☐ Internal hood, trunk, and fuel-filler door release/operation
- ☐ Tire pressure review, Tire Pressure Monitoring System
- ☐ Emergency interior trunk release
- ☐ Spare tire/jack location and operation
- ☐ Battery charge indicators
- ☐ Child seat anchors
- ☐ Operation of headlamps, high beam, flasher, parking, interior, and fog lamps

Service Department Introduction

- ☐ Explanation of scheduled maintenance requirements
- ☐ Set the first scheduled maintenance appointment
- Appointment date and time: _____
- ☐ Ford Rewards Member ID: _____
- ☐ Modem Authorization (if applicable)

Subscription Services (If Applicable)

- ☐ Activation of SiriusXM trial (if applicable)
- ☐ Activation of Connected Services 90-day Trial on eligible/equipped Ford vehicles (i.e., Ford BlueCruise, Connected Navigation, Connectivity Package, Security Package, Premium Connectivity, etc.)

Checklist Review Sign-Off

- ☐ I have personally explained the Ford Blue Advantage Limited Warranty coverage. Specific warranty coverage provisions are included in the Ford Blue Advantage Limited Warranty statement.

Dealer/General Manager Signature _____ Date _____

Sales/Delivery Person Signature _____ Date _____

☐ I acknowledge that all items checked on this delivery form have been reviewed with me by my delivery person to my satisfaction.

Ford Blue Advantage™ Used Vehicle Program Dealer Participation Agreement

Dealership Name: _____

Sales Code: _____

Dealership Address: _____

State: _____ ZIP Code: _____

("Dealer"), effective as of _____ (Date) agrees to participate in the Ford Blue Advantage Program ("Program"). Participation is predicated on the dealer agreeing with the following terms and conditions established by Ford Motor Company ("FMC"), as well as those detailed in the Operations manual ("Manual") to be provided to all FMC Franchised Dealers. This Manual contains specific process and operational details concerning each Program element including, but not limited to: Vehicle Eligibility; Limited Warranty Coverage; Inspection, Sale, and Delivery Process; Training; Vehicle Certification, Sales Reporting, Vehicle Decertification, and Performance Reporting Processes; Audit and Compliance; Facility, Display and Advertising; and initial enrollment and/or renewal fees. FMC reserves the right to revise the content of this manual from time to time at its sole discretion.

This Agreement shall be considered valid and in effect through electronic enrollment on the Ford Blue Advantage enrollment site (cpo.dealerconnection.com).

Terms and Conditions

1. Vehicle Eligibility

"Ford Blue Advantage" means those Ford or competitive-make vehicles that meet all of the criteria of the Program as defined in the Operations Manual.

2. Program Policies and Procedures

- A. Dealer shall comply with the policies and procedures contained in the Manual and all other Program requirements established by FMC at its sole discretion.
- B. All Program fees as listed in the Manual will be charged to the Dealership Parts and Accessory Account, including, but not limited to, Enrollment and Annual Renewal, including Enrollment and Annual Renewal and Program Limited Warranty.

3. Vehicle Preparation

- A. Dealer will perform all Ford Blue Advantage Vehicle inspections and make appropriate repairs required by federal, state, or local laws or regulations prior to offering any Ford Blue Advantage Vehicle for sale, whether or not required or referenced in the manual.
- B. Dealer shall inspect, repair and appearance recondition Ford Blue Advantage Vehicles according to the standards set forth in the manual before offering them for sale as Ford Blue Advantage Vehicles, except where such standards conflict with and cannot conform to federal, state or local laws, which laws shall take precedence.
- C. Reconditioning, replacement of worn components, non-warranty and maintenance items are the responsibility of the dealer and are not covered by the FMC New Vehicle Limited Warranty and must be performed prior to the vehicle certification. Dealers must adhere to the Warranty and Policy Manual guidelines and are subject to chargeback rules and regulations stated in that manual. Reconditioning, replacement of worn items, and non-warranty items include, but are not limited to, the following examples: replace worn or torn interior trim. Maintenance items include, but are not limited to, the following: oil, filters, and shocks.
- D. Dealers will replace components on Ford Blue Advantage Vehicles, whether worn or otherwise in need of replacement, with only new Ford, Motorcraft®, Omnicraft™ or Ford Authorized remanufactured parts, when available the next business day.

Appendix

Ford Blue Advantage™ Used Vehicle Program Dealer Participation Agreement (Continued)

4. Vehicle Advertising, Display and Sale

- A. Dealer will comply with all federal, state, and local regulations concerning the advertising, display, and sale of Ford Blue Advantage Vehicles, whether or not required or referenced in the manual.
- B. Dealer will comply with the following print advertising standards for all Ford Blue Advantage Vehicles:
 - 1. Brand Separation: All print advertisements must separate the Ford Blue Advantage brand from Ford and other new and used pre-owned competitive brands. Separation must be visually detectable using a minimum 10pt rule stretching the entire width or length of the advertisement.
 - 2. No Distressed Language: Dealers may not use any form of “distress-type” language. Use of words or phrases reflecting a distressed tone are not acceptable, such as Clearance, Closeout, Discounts, Liquidation, Overstocked, and Inventory Reduction.
 - 3. Ford and Ford Logo Usage: Appropriate use and treatment of the Ford logo as established in the Ford Blue Advantage Brand Identity Guidelines.
- C. Ford Blue Advantage Vehicles must be displayed in an outdoor area reserved exclusively for display of said units.
- D. Dealer shall meet the following conditions for the sale of each Ford Blue Advantage Vehicle to a customer:
 - 1. Prepare the Ford Blue Advantage Vehicle for display according to the standards set forth in the manual, except where such standards conflict with and cannot conform to federal, state, or local laws, which laws shall take precedence.
 - 2. Ford Blue Advantage Vehicles will be displayed on the dealer location, in an area devoted exclusively to the display of Ford Blue Advantage Vehicles. A dealer location is a place or places of business of the dealer for carrying out this Agreement, which are approved by FMC as provided in paragraph 5 of the Dealer Sales and Service Agreement.
 - 3. Provide the retail customer with all documents and written materials specified in the manual.
- 3. The Ford Blue Advantage Vehicle certification is a complete package and an integral part of the vehicle, and therefore, it cannot be sold separately. The cost of certification under the Program is considered to be included in the purchase price of the vehicle. Under no circumstances can the Ford Blue Advantage and/or the “Certification Package” and/or the Program Limited Warranty be sold to the consumer. The Ford Blue Advantage Dealer Participation Agreement states that the participating dealers must include, as part of a Ford Blue Advantage Vehicle’s base sales price, the Ford Blue Advantage Used Vehicle Warranty. The Ford Blue Advantage Limited Warranty is a warranty and not a Ford Blue Advantage Vehicle service Agreement. Consequently, it cannot be sold to the consumer. To do so would be violation of your participation Agreement and grounds for termination from this Agreement. Occasionally, a customer may request to purchase a vehicle without the limited warranty and all program benefits. Once the vehicle is certified, the certification status cannot be removed at the request of a customer. Conversely, after a customer has agreed to purchase a non-certified Ford or competitive-make vehicle, the certification cannot be added.
- E. Dealer shall place the following on each Ford Blue Advantage Vehicle offered for sale:
 - 1. Program Window Label, price of the Ford Blue Advantage Vehicle, and duration of the Program Limited Warranty, including warranty expiration and mileage limit, whichever comes first.
 - 2. Program Customer Marketing Kit with the original, signed Ford Blue Advantage Vehicle inspection form, and any other materials detailed in the manual and/or required by FMC.
- F. Dealer shall not sell or lease, nor offer for sale or lease, any Ford Blue Advantage Vehicle from any location other than the dealership location approved by FMC in the Dealer Sales and Service Agreement.

Appendix

Ford Blue Advantage™ Used Vehicle Program Dealer Participation Agreement (Continued)

5. Certification and Sale Recording

- A. Dealer shall accurately register each Ford Blue Advantage Vehicle it has certified for sale or lease in the Program with FMC using the designated Program internet website before displaying the vehicle as “Certified.” The dealer will also accurately record the sale or lease of each Ford Blue Advantage Vehicle immediately following its sale or lease via this website.
- B. Dealer will also notify FMC via the Program website in the event that any Ford Blue Advantage Vehicle no longer meets the certification criteria as described in the manual and needs to be “decertified.” The dealer will have to submit a vehicle’s decertification information into the website to complete the decertification process.

6. Full Tank of Fuel

Dealer agrees to provide a full tank of fuel (at delivery) for each Ford Blue Advantage Vehicle sold or leased at no cost to the retail customer.

7. Training

- A. Dealer shall designate a qualified employee as the “Dealership Coordinator” in connection with the Program.
- B. Dealer shall require the Dealership Coordinator, and the appropriate Sales, Service, and Program Administration employees as defined in the manual, to attend Program training courses conducted by or for FMC from time to time.
- C. Dealer shall use only sales personnel and service technicians who pass the Program awareness training requirements defined in the manual to inspect and sell or lease Ford Blue Advantage Vehicles.
- D. New employees are required to complete the Program awareness training requirements after 30 days of their employment hire date. FMC will provide Program training for Sales Consultants, Sales Managers, and Technicians. Employees will not be allowed to sell Ford Blue Advantage Vehicles until they have completed the Program awareness training requirements.

8. Dealer Record-Keeping and Audit Provisions

- A. Dealer shall transmit to Ford Motor Company all information required as described in the Program Manual.
- B. Dealer shall keep, in the Ford Blue Advantage Vehicle service file for at least two (2) years from a Ford Blue Advantage Vehicle’s retail sale or lease, all Ford Blue Advantage Vehicle mechanical inspection forms and repair orders involving reconditioning work performed on the Ford Blue Advantage Vehicle (if any). Upon the request of FMC, Dealer will provide access to and the opportunity to copy, as FMC deems necessary, original service records, such as repair orders and inspection worksheets, and all other dealer books and records relating to the Program.
- C. Dealers will make all Ford Blue Advantage Vehicles in their inventory available for inspection by third-party inspectors chosen by FMC during regular business hours, without prior notice to the Dealer.
- D. Dealer acknowledges that FMC may survey retail customers who have purchased or leased Ford Blue Advantage Vehicles from the dealership about their Ford Blue Advantage Vehicles and their experience with the dealership.
- E. Dealer will keep key dealership contact information updated and accurate on the Dealer Profile form on the Ford Blue Advantage Program website (cpo.dealerconnection.com).

9. Noncompliance Actions

Please refer to the manual for a list of noncompliance actions.

10. Program Benefits

Dealers who have a Dealership Participation Agreement in force and who have met all of the Program requirements shall be entitled to the benefits of the Program as announced by FMC at its discretion. This Agreement is not intended nor shall it be construed to be for the benefit of any third party.

Appendix

Ford Blue Advantage™ Used Vehicle Program Dealer Participation Agreement (Continued)

11. Indemnification

- A. Dealers shall indemnify and hold harmless FMC and its employees, officers, directors, and subsidiaries, against any loss, including, but not limited to, attorney's fees, judgments, settlements, or other expenses, arising out of dealer's improper or negligent selection, inspection, repair or reconditioning of a Ford Blue Advantage Vehicle, any misrepresentation with respect to a Ford Blue Advantage Vehicle or the Program, or any allegation of a dealer's alleged failure to comply, in whole or part, with any obligation assumed by dealer related to this Agreement.

12. Termination of Agreement

- A. Dealer may terminate this Agreement for any reason, with or without cause, and withdraw from Program at any time upon 30 days' written notice to FMC.
- B. Ford Motor Company may terminate this Agreement for any reason, with or without cause, at any time upon 30 days' written notice to dealer.
- C. Ford Motor Company may terminate this Agreement at any time for good cause which, for instance, includes but is not limited to:
 - 1. Failure to correct deficiencies in the Ford Blue Advantage Vehicle inspection and/or reconditioning/repair process as required by the Program.
 - 2. Displaying or selling/leasing a vehicle as a Ford Blue Advantage Vehicle prior to its certification as a Ford Blue Advantage Vehicle as required by the Program.
 - 3. Representing or selling/leasing a vehicle as a Ford Blue Advantage Vehicle that has not been properly selected, inspected, repaired or reconditioned as required by the Program.
 - 4. Violating any FMC New Vehicle Limited Warranty still in effect by submitting Program reconditioning work as a new-vehicle limited warranty claim. Please refer to the Warranty and Policy Manual for warranty violations and penalties.

- 5. Displaying or selling/leasing a Ford Blue Advantage Vehicle from a location other than the approved dealer location in the Dealer's Sales and Service Agreement.
- 6. Failure to properly repair Ford Blue Advantage Vehicles under the Program Limited Warranty.
- 7. Failure to comply with print advertising standards.
- 8. Failure to properly decertify vehicles according to the manual.
- D. Credit of all Program fees charged to dealer Parts and Accessory Account will be at the sole discretion of FMC should this Agreement be terminated due to Dealer noncompliance with the requirements of the Program as detailed in the manual.
- E. In the event FMC terminates this Agreement for cause, it may do so immediately upon written notice to dealer.
- F. Upon termination of this Agreement, dealer shall immediately:
 - 1. Stop presenting itself as a Ford Blue Advantage Dealer.
 - 2. Stop selling, leasing or offering for sale or lease any additional vehicles as Ford Blue Advantage Vehicles or representing that any vehicles are accompanied by the Program Limited Warranty, excluding the balance of the Ford Blue Advantage Vehicles that are currently in the dealer's inventory.
 - 3. Once all Ford Blue Advantage Vehicles in inventory have been sold, the dealer must remove all Program signs, point-of-sale materials and labeling from Ford Blue Advantage Vehicles in inventory and send them back to Program Headquarters.

Appendix

Ford Blue Advantage™ Used Vehicle Program Dealer Participation Agreement (Continued)

13. General Provisions

- A. The laws in the State of Michigan shall govern this Agreement.
- B. Except as noted in this Agreement, any notice required by law to be given by either party to the other shall be in writing and delivered personally by overnight delivery with a signature upon receipt, or by certified mail with a return receipt requested, and shall be effective on the date of receipt. Notices to dealer shall be directed to dealer or its General Manager at dealer's approved location under its FMC Sales and Service Agreement. Notices to FMC shall be directed to National Ford Blue Advantage Program Operations Manager, 16800 Executive Plaza Drive, Mail Drop 10SWE, Dearborn, Michigan 48126.
- C. This Agreement does not render dealer, the agent, or legal representatives of FMC for any purpose whatsoever, nor does this Agreement grant dealer any express or implied right or authority to assume or create any obligation on behalf of or in the name of FMC, or to bind FMC in any manner whatsoever.
- D. Dealer acknowledges that no specific results of the Program have been represented or promised to dealer. Dealer acknowledges that no representations or statements other than those expressly set forth in this Agreement were made by FMC or any officer, employee, agent, or representative, or were relied upon by dealer in entering into this Agreement. This Agreement cancels and supersedes any previous Agreements or understandings between the parties relating to the subject matter of this Agreement. No change or addition to, or deletion of, any portion of this Agreement shall be valid or binding upon the parties to the Agreement unless the same is approved in writing by an officer of each of the parties.
- E. This Agreement shall automatically expire upon the termination of dealer's FMC Sales and Service Agreement.
- F. To the extent the Program includes Ford Blue Advantage Vehicles leased to retail customers, any reference in this Agreement to the sale to or purchase by a retail customer shall include such lease transactions.
- G. The dealer may not use any trademark or trade name used or claimed by the Company or any of its subsidiaries in the dealer's firm name or trade name except with the company's prior written approval. If, after such approval, the company should at any time so request, the dealer shall promptly discontinue such use and take all steps necessary or appropriate in the opinion of the company to eliminate such trademark or trade name from the dealer's firm name or trade name. Any domain name that contains a Company trademark or trade name is the property of, and must be registered by, Ford Motor Company. Dealer further agrees to not incorporate any part of the name or trade name Ford, Ford Blue Advantage, Ford Certified Pre-Owned Program, Ford Pre-Owned, Ford Pre-Owned Vehicle, or Ford Pre-Owned or any other combinations of these names, in their dealership domain name. Use of such domain names is subject to prior approval by the company.

Appendix

Ford Blue Advantage™ Dealer Participation Agreement – Digital Marketplace

Dealership Name: _____

Sales Code: _____

Dealership Address: _____

State: _____ ZIP Code: _____

("Dealer") agrees to the following terms and conditions ("Terms") governing the Ford Blue Advantage Digital Marketplace (the "Marketplace"), including the requirements detailed in any Exhibit and the Operations Manual (to be provided separately to Dealer, the "Manual"), effective as of _____ "Date" (collectively referred to as the "Agreement"). Ford reserves the right to revise the Agreement from time to time at its sole discretion. This Agreement shall be considered valid and in effect through electronic enrollment on the Ford Blue Advantage enrollment site (cpo.dealerconnection.com).

Dealer must be enrolled in the Ford Blue Advantage Used Vehicle Program to participate in the Marketplace. Dealer does not need to participate in the Marketplace to participate in the Ford Blue Advantage Used Vehicle Program.

Terms and Conditions

1. Data Sharing

- A. Pursuant to an Agreement with Ford, Cox Automotive, Inc. ("CAI") will provide the Marketplace infrastructure under the combined names "Ford Blue Advantage" and "AutoTrader." Ford will coordinate with FordDirect to provide the information needed to enable dealer's participation in Ford Blue Advantage, including, without limitation, the certified vehicles offered by dealer through the Marketplace (including vehicle descriptions and vehicle build data, which may be supplemented with information from Ford), and Dealer's program selections (collectively, "Dealer's Marketplace Information"). Dealer hereby expressly authorizes Ford and FordDirect to provide dealer's Marketplace Information to CAI for purposes of Ford Blue Advantage and, if applicable, dealer's online used vehicle offerings with CAI or AutoTrader.com, Inc.

- B. Dealer may have an independent relationship with CAI or AutoTrader.com, Inc. for dealer's online used vehicle offerings. Dealer hereby expressly authorizes CAI's use and display of information and content obtained by CAI from dealer's online used vehicle offerings for purposes of Ford Blue Advantage.

2. Marketplace Functionality

- A. The availability of Digital Marketplace tools ("Tools") is subject to change from time to time. Dealer use of the Tools will be governed under separate terms and conditions. If dealer enrolls in any of the following Tools, dealer agrees that such Tools will be enabled in the Marketplace at no additional cost to the dealer.
- FordDirect Managed Chat – Dealers enrolled in FordDirect Managed Chat will have this feature enabled on the Marketplace.
 - AutoTrader Managed Chat – Dealers not enrolled in the FordDirect Managed Chat feature but enrolled in AutoTrader's Managed Chat solution will have this feature enabled on the Marketplace.
 - AutoFi – Dealers enrolled in AutoFi's Tier 3 solution will have this feature enabled on the Marketplace.
 - AutoTrader's AccelerateMyDeal – Dealers not enrolled in AutoFi but enrolled in AutoTrader's AccelerateMyDeal feature will have this feature enabled on the Marketplace.
 - All Leads will be processed through the same process used for those Tools with a designation the lead came from Ford Blue Advantage.

Appendix

Ford Blue Advantage™ Dealer Participation Agreement – Digital Marketplace (Continued)

3. Dealer Customer Experiences

As part of the Marketplace, dealer is required to enroll in Local Home Delivery, to the extent permitted by state law.

- Local Home Delivery – Dealers must offer to deliver the vehicle to a customer's home or business upon request, to the extent permitted by state law. The parameters of this offer are at the discretion of the dealer, including mileage restrictions.

Dealer may enroll in and promote other select Customer Experience services. Customers will be able to filter their vehicle search based on participation in the following experiences:

- Video Walk-Arounds – Dealers that opt into the Vehicle Walk-Around option are offering to send a customer a video walk-around of the vehicle they are interested in. The method and length of the video are at the dealer's discretion.
- Test-Drive at Home – Dealers that opt into Test-Drive at Home are offering to bring a vehicle to a customer for a test-drive. The parameters of this offer are at the discretion of the dealer, including mileage restrictions.

These programs and additional program offerings may be updated by Ford from time to time in the manual. Ford reserves the right to suspend or terminate a dealer from participation in the Marketplace for violations of any of the above programs or terms and conditions.

4. Advertising

Dealer is solely responsible for any and all information, data, images, pricing, settings, dealer vehicle inventory, dealer-installed options and any other content provided by dealer (collectively "Dealer Content") that dealer supplies to CAI, Ford, FordDirect, or its subcontractors for use in the Marketplace. Ford shall have no liability or responsibility for the legality, accuracy or completeness of any Dealer Content that dealer supplies to the Marketplace or otherwise to consumers.

Dealer is solely responsible for choosing, and inputting, the vehicles it wishes to display in the Marketplace, the prices for the vehicles and any other products dealer wishes to advertise on the Marketplace, and for ensuring that all advertised prices and any and all other information or data provided by dealer on the Marketplace or otherwise to consumers comply with all applicable laws and regulations, including but not limited to trademark, copyright and intellectual property laws, deceptive pricing laws and laws that require the dealer to offer the Marketplace vehicle price to all consumers regardless of whether the consumer accessed the price through the Marketplace or viewed the price at all. Dealer shall consult with its own counsel concerning all laws that apply or may apply to dealer's participation in the Marketplace and/or to the information (including, but not limited to, pricing) dealer supplies to the Marketplace or otherwise to consumers. Ford has not, and will not, advise or counsel dealer as to content or applicability of any laws or regulations that may apply or that do apply to the Marketplace, dealer's participation in the Marketplace, information provided by dealer on the Marketplace, or otherwise to consumers. Ford makes no representation or warranty to dealer as to the legality, validity or enforceability of any aspect of the Marketplace.

Dealer shall ensure that all communications sent on behalf of dealer through the Marketplace comply with all Ford and Ford Credit brand guidelines applicable to such communications. Dealer represents and warrants that dealer has any and all required approvals, including but not limited to those from Ford for all content, including but not limited to advertisements. Dealer consents to the appearance of dealer's name and/or logo in the display of such advertisements.

Appendix

Ford Blue Advantage™ Dealer Participation Agreement – Digital Marketplace (Continued)

5. Legal Compliance

Dealer agrees to comply with all applicable federal, state and local laws, rules and regulations applicable to dealer's use of the Marketplace, as well as all Ford instructions or requirements communicated to Dealer from time to time with respect to the Marketplace. This obligation requires dealer to comply with laws applicable to contacting customers or prospective customers, such as the Telephone Consumer Protection Act, the Telemarketing and Consumer Fraud and Abuse Prevention Act, the Telemarketing Sales Rule, the Do-Not-Call Implementation Act, the Controlling the Assault on Non-Solicited Pornography and Marketing Act (CAN-SPAM), related regulations, as well as similar state laws and regulations. This obligation also requires dealer to comply with all applicable laws, rules and regulations related to the marketing and sale of vehicles in each jurisdiction where Dealer's applicable customers are located.

Dealer may not use the Marketplace to contact customers or prospective customers using artificial or prerecorded voices to residential or mobile phone numbers, or using autodialers or equipment that has the capacity or capability to automatically dial to make phone calls or send text messages to mobile phones, unless such calls and texts are the subject of the customer's or prospective customer's prior express written consent in compliance with 47 CFR 64.1200. Dealer agrees to retain a record of such express written consents and agrees to make such record available to Ford upon request.

6. Indemnification

Dealer agrees to indemnify, defend and hold harmless Ford and its officers, employees and agents from and against any and all claims, damages, costs, losses, demands, liabilities, actions or proceedings, and related costs and expenses incurred by Ford, (i) in connection with dealer's breach or alleged breach of any terms or representations and warranties set forth in this Agreement or in any other Agreement between dealer and Ford; (ii) in connection with dealer's violation of any applicable law in connection with its use of the Marketplace, including any dealer content; (iii) concerning or relating to any dealer content and any actions or omissions of Dealer, including, without limitation, any failure by dealer to sell or lease a vehicle to a consumer at the price advertised for such vehicle if such vehicle has been included by dealer in the Marketplace.

Dealer also agrees to indemnify, defend, and hold harmless Ford from and against any and all claims, damages, costs, losses, liabilities, and expenses incurred by Ford in connection with dealer's use of the CAI system used to support Ford Blue Advantage and other services described herein, including those resulting from a data breach caused by the negligence or other acts and omissions of dealer; dealer's failure to correctly enter data directly or integrated into the Ford Blue Advantage system; or dealer's failure to provide the appropriate consumer disclosures, privacy policy, privacy notices, appropriate material terms and limitations of any vehicle or any other notice or disclosure as may be required by federal, state, or local law. Dealer's indemnification obligations under this Section 6 shall survive the dissolution, cancellation, or termination of this Agreement. For purposes of this Section 6, "dealer" shall be deemed to include dealer's employees and subcontractors.

Appendix

Exhibit A: Guidelines that will be posted in the Program Manual

Vehicle Information

Outlined below are the minimum requirements for vehicles to be posted to the Marketplace.

- All vehicles must be certified under the Ford Blue Advantage™ Program as either Blue-, EV- or Gold-level certification
- All vehicles must have a price:
 - Price must be available to all customers, without any qualifications or rebates based on customer eligibility
 - No down payment can be used to reduce the listed price
 - No trade-in allowance can be used to reduce the listed price
 - All reconditioning expenses of the vehicle must be included in the price
 - Any aftermarket equipment and accessories already installed on the vehicle must be included in the price
 - All other Dealer/government fees and charges must be disclosed in accordance with applicable state and local laws
 - Dealers must comply with all federal, state, and local laws
- All vehicles must have a minimum of ten photos, including one picture taken from the driver's side front corner
 - Photo requirements will be supplied as they relate to size and image resolution
 - To support consistency of imagery, Ford will leverage machine learning technology to ensure consistency of photos on the site. Ford reserves the right to adjust the photos that are provided to enhance the customer experience. Some examples of actions that Ford or its partners may take include, but are not limited to:
 - Rearranging all photos in the vehicle's photo file so there is consistency across all vehicles on the platform
 - Removing the background from select photos
 - Adding the Ford Blue Advantage logo, including the logo for the appropriate certification level, to select photos
 - Incorporating billboard image highlighting the specific benefits of the appropriate certification level in the photo carousel
 - Combining the photos in the carousel to create a 360-degree view of the vehicle
 - Ford will continue to test different approaches to maximize customer engagement
