

Ford Blue AdvantageTM Facts at a Glance and Vehicle Eligibility

Blue
Advantage

Updated as of June 2026. Any updates communicated via dealer communication on FMCD dealer after this date take precedent.

Facts at a Glance

Please see the Operations Guide for more details.

	Gold Certified	EV Certified	Blue Certified
Ford Blue Advantage™ Certification	- Ford current and up to five prior model years with no more than 80,000 miles 12-month/12,000-mile Comprehensive Limited Warranty coverage 7-year/100,000-mile Powertrain Limited Warranty coverage See the Gold Certification Guide for details on certification.	- Ford current and up to five prior model years with no more than 80,000 miles 12-month/12,000-mile Comprehensive Limited Warranty coverage 8-year/100,000-mile BaseCARE EV Warranty coverage See the EV Certification Guide for details on certification.	- Vehicle eligibility includes Ford and competitive-make current and up to nine prior model years and up to 150,000 miles (Note: Lincoln vehicles continue to be ineligible.) 3-month/4,000-mile Comprehensive Limited Warranty coverage that is fully competitive with other online retailers See the Blue Certification Guide for details on certification.
Vehicle Certification Fees	- Cars/SUVs/Trucks, including Ranger®, F-150®, and F-250®–F-450®: \$599 - All incomplete vehicles up to 750 Series: \$679	All fully electric Ford vehicles: \$499	- Vehicles with 60,000 miles or less: \$199 - All incompletes with 60,000 miles or less: \$249 - Vehicles with 60,001–120,000 miles: \$249 - All incompletes with 60,001–120,000 miles: \$289 - Vehicles with 120,001–150,000 miles: \$499 - All incompletes with 120,001–150,000 miles: \$599
Money Back Guarantee	All eligible Ford Blue Advantage vehicles sold are eligible for a 14-day/1,000-mile Money Back Guarantee.* See Money Back Guarantee Operations Guide for full details. *Only available at participating Ford Dealers. Vehicle must be returned within 14 days/1,000 miles (whichever comes first) from the original sales date and mileage as stated on bill of sale and returned in same condition as sold (excludes normal wear and use). Dealer cannot accept a return if the vehicle has a lien or other encumbrance. Original trade-in vehicle will not be returned to you. Purchasing a different vehicle may require a new credit application with different financial terms than the original contract. If you have already returned a Ford Blue Advantage™ vehicle to a Ford Dealer within the last six months, you are not eligible for the Money Back Guarantee program and your request to return will not be honored. See your dealer for important program guidelines and restrictions.		
Vehicle Certification Fee Billing	Will be charged when the unit is in inventory for 90 days or is reported “sold.” If the vehicle certification fee has been billed, it will be refunded if the certification is cancelled by the dealer.

	Gold Certified	EV Certified	Blue Certified
Enhanced Reporting and Analytics	A sophisticated analytical tool by Autotrader, nVision will provide powerful pricing and merchandising tools to help dealers: • Vehicle days on lot • Number of leads • Vehicle pricing analytics powered by KBB data • Track customer activity on each Certified unit • Identify merchandising opportunities to improve the turn and gross of your Ford Blue Advantage™ inventory		
Lead Delivery	• All Ford Blue Advantage customer leads will be delivered through FordDirect's DelivR tool		
Dealer Requirements	• Complete Gold, EV, or Blue Certified Vehicle Inspection Checklist using Motorcraft®/Omnecraft™ parts (when available the next business day) • Complete required training and certification in Ford University • All vehicles must have a price • A minimum of 10 photos of each vehicle must be provided • Offer local home delivery • Select from optional customer experiences (dealer sets parameters): – Video Walk-Arounds – Test-Drive at Home		
Ford Blue Advantage Used Vehicle Digital Marketplace	The Digital Marketplace will streamline the customer's experience by letting them search one of the largest inventories of used Ford vehicles and find their ideal used vehicle with advanced search functionality tied to Ford build data and factory window stickers. Dealers will be able to reach more customers on the only used vehicle platform directly linked to Ford.com, monitor listings and improve with data-driven insights on a new digital retail dashboard, grow used vehicle volume with leads delivered through FordDirect DELIVr for seamless integration with existing processes, and communicate with customers using digital tools you currently use. • Customer website linked to Ford.com and powered by Autotrader provides customers with a comprehensive listing site as well as digital retail tools, including AutoFi, Accelerate My Deal, Managed Chat, Local Home Delivery, guaranteed pricing, and improved vehicle photography		

Facts at a Glance

Please see the Operations Guide for more details.

	Gold Certified	EV Certified	Blue Certified
Dealer Customer Experiences	- Participating dealers have the option to customize the experience they provide their customers - Choices include Video Walk-Arounds and Test-Drive at Home - Customers will be able to filter search results. Dealers set parameters Local Home Delivery (Required): Ford Blue Advantage™ customers can use the Digital Marketplace to buy their next car without visiting the dealership, then have it delivered to their door. Shoppers can communicate with dealers from the comfort of their own home. See Marketplace Retail Tools section below. Test-Drive at Home (Optional): Ford Blue Advantage customers are encouraged to test-drive the vehicle on their own turf. Shoppers choose the vehicle, and the dealer will bring it to them for a no-obligation test-drive. Video Walk-Around (Optional): Ford Blue Advantage customers can experience the car via video chat and ask the dealer any questions they may have. Customers will be able to filter their vehicle selections based on the experiences that are most important to them when searching Ford Blue Advantage inventory.		
Ford Blue Advantage Used Vehicle Digital Marketplace Retail Tools	Select digital retail tools that dealers currently use will be live on the site at NO additional cost. The tools are divided into two (2) important areas: Digital Retail – We are currently able to tie into two of the most popular digital retail products on the site: AutoFi/Roadster – For dealers enrolled in AutoFi or Roadster tier 3 product, customers will enter that experience with no changes to your existing setup when they click a Start My Deal button on your Vehicle Details page. Accelerate MyDeal – For dealers that do not enroll in AutoFi but are enrolled in Cox Automotive’s Accelerate MyDeal product, that experience will be enabled on the site. CarNow – Launching in 2025, dealers enrolled in CarNow’s digital retailing tool will allow customers a seamless experience with this tool from the FBA site. Please note that leads coming from AutoFi, Accelerate MyDeal, or CarNow will come through the same process they do today; the only difference will be that they will be designated as coming from the Ford Blue Advantage Digital Marketplace. This ensures that you do not have to change the way you manage these leads. Managed Chat – An important experience for customers is their ability to communicate through multiple channels. Therefore, we will enable tools that many dealers use today on the site. FordDirect Managed Chat – Dealers enrolled in FordDirect’s Managed Chat product will have that experience live on the site, letting customers interact with your store just like they would if they were on your site. Autotrader Managed Chat – Dealers who do not enroll in FordDirect’s Managed Chat but are enrolled in Cox’s Autotrader Managed Chat product will have that experience live on the site. CarNow – Launching in 2025, dealers enrolled in CarNow’s Managed Chat product will have that experience live on the site. Please note that leads coming from either Managed Chat feature will come through the same process they do today; the only difference will be that they will be designated as coming from the Ford Blue Advantage Digital Marketplace. This ensures that you do not have to change the way you manage these leads.		
Marketing Support Inventory Syndication	To enhance sponsorship agreements with the top five used vehicle listings sites. This will enable syndication of all Ford Blue Advantage Certified vehicles to be posted across five platforms. See Marketing Support and Used Vehicle Digital Marketplace for more details.		

See chart on the next page.
